

Mrs. Teddy's Tidbits

Thank you all for such a wonderful 3 days back to school! The students were so happy to be back at school and did a great job learning routines and all about their new classmates and teachers. Teachers were ready for their new students and used the first 3 days to build relationships and community in the classroom. I am so proud of all our students and teachers for the work they did to make Indian Creek the best school in Texas!!

Next week is Kindness Week at Hebron HS! We want to join them and support this important message. Here is the week of events, I hope you will join us!
