EVERY DAY COUNTS!! Students must be inside the building AND their classroom before the 7:45 bell rings. Students arriving to their classroom after the 7:45 bell will be sent to the front office to get a tardy pass to go to class. Of course we understand if a student is sick! Please call the front office the day your student will be absent. When the student returns, please provide a doctor's note. We can only accept 8 parent notes for absences this year! I will be working with our attendance clerk to monitor student tardies and absences closely. Thank you for your help in getting your sweet kiddos to school. We love having them here!

Please reach out to me at any time for questions, concerns, to share something special about a student, or to brag on a teacher! Thank you for your continued partnership and support!
