As you know each year there can be changes to our staffing. We were lucky this year and kept all our staff the same, but this year we are losing a position for next year that is special to all of us. It is important to our district leadership that we get this position back the following year, but will not have our STEM class next year. We will be providing STEM in other ways, such as through our library, clubs, and after school programs. This was not a decision taken lightly by our district leadership, and I know the students and all of us will greatly miss Miss Terry.. Miss Terry has a special message for you all:

*Falcon Families,*

*For the last four years, I have had the privilege of teaching STEM at Indian Creek. I ended up here after deciding I needed a change from teaching 3<sup>rd</sup> grade math and science in Irving. I began searching for an opportunity in a district I knew was innovative and had elementary positions focused on the content area I was passionate about: science. I was a little nervous about having every grade level and age, but I can now say that has truly been the best part of my job! As much as I love what I teach (STEM rules) and LISD, it has been working with and getting to know your kids that I have loved more than anything. I never expected a group of students to impact my life personally and professionally as much as these students have. I am*

*leaving Indian Creek a better educator than I came because of the student's compassion, dedication, positivity, and kindness they've shown me and each other. Indian Creek is a special little community filled with committed students, staff, parents, and love. Thank you for your support and allowing me to be a small part of your child's day for the last four years. I will always be an Indian Creek Falcon.*

*With Love,*

*Ms. Deana Terry*

I wish you all a wonderful summer vacation and can't wait to see these sweet faces back in August. Next week I will send reminders about back to school information.

*Sincerely,*

*Amy Teddy*

## **CAMP INVENTION -Summer 2019**

Camp Invention will be June 3-7 here at Indian Creek. Unmask your child's creativity this summer in the all-new Camp Invention® program, Supercharged™, where children build confidence, learn to collaborate and transform their wild imaginations into epic creations. Campers entering grades 1-6 will learn creative problem-solving skills while coding and programming futuristic robots, uncovering ancient fossils, designing high-tech superhero gadgets and exploring radio frequencies. Indian Creek teachers and high school

volunteers will lead this action-packed program featuring exhilarating, hands-on STEM activities teaching children to question, explore, break through obstacles and embrace failure! Visit [www.invent.org/camp](http://www.invent.org/camp) or call 800-968-4332 to register..

## Yearbook Announcement

Dear Parents,

The yearbooks have arrived and we are happy to say that we have some extras. The yearbooks will be for sale on **class party day ONLY (Wednesday)**. They are available on a first come, first served basis. We will not hold yearbooks.

We have 7 soft cover yearbooks for \$10 each and 11 hard cover yearbooks for \$20 each. Please bring either cash (exact amount) or a check made out to Indian Creek Elementary with Yearbook in the memo line. A receipt will be given to you or your child at the time of purchase. Your child is able to bring money if you are not able to make it, but please do not send it ahead of time – If your child comes home with the money, then that means we sold out. Please let me know if you have any questions. You may e-mail me at [MooreCA@lisd.net](mailto:MooreCA@lisd.net)

Thank you!

Howdy Falcon Families!

What a beautiful day! Hope you and your family are outside enjoying the sunshine!

I can't believe this Thursday is the last day of school for the 2018-2019 school year! Time flies when Falcons are having so much fun! I'm looking forward to class parties and End of Year celebrations this week!

**News for next year:**

The Falcon community has been so special and an honor to serve for the last three years. From day one, the students, staff, and families of Indian Creek have been so welcoming, supportive, and fun to be around! Thank you for pushing me to be a better leader! After proudly serving the Falcon community for three years, I wanted to share that I have accepted another assistant principal position that is closer to my family at Heritage Elementary.

I will still be in the BEST district around, Lewisville ISD, so I won't be too far away! I hope you will still reach out to me if you need help. I would love to keep in touch! I plan to officially change my email over from "Jones" to "Whitehouse" this summer!

I am eternally grateful for all that you have poured into me over the last three years. While I might become a Heritage Hawk, I will forever have a special place in my heart for my Favorite Indian Creek Falcons!

Hope to see you on campus this week!

With Lots of Falcon Love,

*Meredith (Jones) Whitehouse*

*Proud Assistant Principal*
