

Family and Student Guidelines for Live Virtual Learning

Please read the following guidelines and expectations.

Parent/Family Expectations

- Email the teacher directly if you have a question or concern about using live virtual learning.
- Be open minded to these tools and support your student throughout this process.
- Help your student focus by providing a quiet space to work.
- Minimize distractions while your student is in live virtual learning.

Student Expectations

- Students should be dressed in school-appropriate clothing.
- Students are to continue following the LISD Code of Conduct.
- Students should consider their environment and what can be seen during live virtual learning.
- Messages and live virtual learning may be recorded.
- Best practices for participating in live virtual learning:
 - Mute audio and video when entering live session.
 - Mute audio when not speaking (reduces background noise from your home).
 - If possible use a headset with a microphone to help reduce echo/feedback and improves focus.
 - Be a good Digital Citizen and use appropriate, respectful actions.
 - Listen to the educator or individual speaking.
- Students will adhere to the expectation that no communication occurs between the hours of 10:00 p.m. and 8:00 a.m.

Virtual Learning tools can be monitored by LISD.

If expectations are not followed, disciplinary consequences could include:

- Suspension of live virtual learning privileges
- Disciplinary action in accordance with the LISD Student Code of Conduct
