

Title: 2021 **OxyGen Scholarship**

Deadline: February 28, 2021

Award Amount: Not specified

Program Description:

To encourage and promote incoming college students interested in a STEM (Science, Technology, Engineering, or Math) field by providing a one-time monetary scholarship to the applicants who appropriately meet the criteria below and as selected by the designated oxyGEN scholarship committee. All applicants who meet the criteria and deadline will be considered, regardless of major or area of study. The number and value of scholarships awarded each year will vary based on the number of quality applicants received and the funds available.

The oxyGEN scholarship program celebrates our commitment to growth through the pursuit of higher education. Our scholarship recognizes student's ability to demonstrate critical and creative thinking by effectively communicating the importance of a STEM topic of their choice and their ability to make an impact in the field or in their community.
