

VLA Online Summer Learning

Learning Without Limits

The Virtual Learning Academy (VLA) in Lewisville ISD is pleased to offer a robust set of summer online learning opportunities. This summer we will have a **nine-week ONLINE VLA summer learning session with classes starting on June 1 and ending July 23rd**. During this time, students have an opportunity to take anywhere from 0.5 credits to 2 credits. However, we suggest students not exceed 1 credit attempted during this period. Keep in mind that a student taking a one-credit class will actually need to enroll in two half credit classes such as Algebra 1 A (0.5 credit) and Algebra 1 B (0.5 credit) to get the full credit and that each half credit class is taught in approximately 4 weeks.

Explore suggested LISD classes listed below. Additional courses are also available through the [TXVSN catalog](#). LISD courses listed below are \$175 per half-credit (\$50 for students eligible for Free or Reduced lunch). Courses from TXVSN range from \$200 to \$400 per half credit. All LISD VLA courses meet NCAA eligibility requirements. You may view the full [VLA Catalog of Courses](#) and learn more about VLA on the [VLA Website](#).
