What Counts for College

- **Grades (GPA/Class Rank)**
- **College Prep Courses**
- **ACT/SAT Scores**
- **Courses to help prepare you for your major/career**
- **Admissions Essays**
- **Recommendations**
- **Resume**

GPA Matters!

GPA is important for college!

Your GPA is hard to raise once it is low. Strive to maintain a high GPA your entire education at Hebron.

GPA and Class Rank

- Grades received in core academic classes, foreign language, any AP course, and ACDEC count toward your rank.
- Once you fail a class, your failing grade is NEVER replaced on your transcript.
- Class Rank and GPAs are recalculated at the end of each nine weeks.

Check your Transcript

- ◆ Please check for:
 - ◆ Credits from middle school
 - ◆ Credits from 9th grade center
 - ◆ Credits from summer school
 - ◆ Credits from other schools (if you transferred)

Contact your counselor if you find an error on your transcript.

Calculating your GPA

- ◆ GPA NEVER includes courses taken in:
 - ◆ Middle School
 - ◆ Credit-by-exam or Acceleration testing
 - ◆ Summer school
 - ◆ Night school
 - ◆ Credit recovery

Dual Credit

- ✔ **Dual credit allows you to enroll in classes at Collin College and earn both high school and college credits simultaneously.**
- ✔ **Juniors and Seniors are eligible.**
- ✔ **See your counselor during registration in the spring for details.**
- ✔ **Collin College will host a meeting at Hebron in the spring.**

Virtual Learning Academy

- ◆ LISD provides fall, spring, and summer online courses for interested students.
- ◆ Visit vla.lisd.net for a list of courses offered.
- ◆ Seniors can enroll in Government and Economics.
- ◆ See your counselor for details if you are interested.

Hebron's Top 10%

**Students in the top 10% of their
graduating class are eligible for
automatic admission to any public
university in Texas**

**Except at the
University of Texas at Austin**

Hebron's Top Ten % continued

- Effective 2011: SB 175 Limits automatic admission to 75% of the incoming class
 - The University of Texas at Austin will announce its automatic admission percentage each fall by September of students' junior year

Advantages of Pre-AP and AP Courses

- ◆ **Students who have taken P/AP and AP courses tend to perform better in college.**
- ◆ **Courses are more stimulating and challenging.**
- ◆ **Students can possibly earn college credit.**
- ◆ **Grades received in AP course work are multiplied by 1.3 instead of 1.1 when figuring class rank.**

PSAT

- ◆ **Preliminary Scholastic Aptitude Test (PSAT) is a standardized test that measures reading/writing and math skills important for college success.**
- ◆ **LISD pays for 1st time 10th graders to take the PSAT test.**
- ◆ **10th graders who score high enough on the selection index test will qualify for a PSAT class.**

The PSAT is Important !

- ◆ It is an opportunity to “practice” for the SAT test that you will take as a Junior and Senior.
- ◆ If you choose to take the PSAT your Junior year and your selection index score is high, you might qualify for a scholarship from the National Merit Corporation.

NCAA

- ◆ Athletes who want to play college sports should register in the 10th grade
- ◆ Visit the NCAA Eligibility Center at eligibilitycenter.org to register

MILITARY

- ◆ Recruiters are on campus each week during lunch
- ◆ Check out Hebron's JROTC (Junior Reserve Officers Training Corps) program
- ◆ We offer the ASVAB to 11th and 12th grade students (all are welcome to take exam even if you are not interested in the military)

Your Academic Resume
