What we believe

- Each child is capable of learning and becoming his/her best self
- Education is the shared responsibility of the school community
- A safe and nurturing environment is key to growing our students academically, socially, and emotionally
- We develop students who are problem solvers that are prepared to adapt to our ever changing world

The B.B. Owen school community strives to build a positive and safe school atmosphere where all stake holders feel welcome. Collaborative opportunities allow great thinkers to develop and make learning a fun adventure inside and outside of the classroom.

Our Bobcat family places the needs of our students at the center of all that we do.

ACADEMIC PERFORMANCE

Istation by grade level

Lewisville ISD monitors students' reading progress through the Istation computer program. Teachers can quickly assess which students need help. This chart shows the percent of students reading on grade level or showing six months growth at the end of the school year.

CLUBS

Clubs provide opportunities for students to engage in learning of their choice beyond the classroom. Some of ours include Sprinters Running Club, Junior Librarian, STEM Robotics, Choir, Music Listening, Honor Choir, and Art.
