What we believe

At Coyote Ridge Elementary, we inspire learners to become innovative, collaborative, life-long designers who contribute to an ever-changing global community. We engage the school in The Leader in Me program and The 7 Habits of Happy Kids to embrace a process that helps develop the essential life skills and characteristics students need to thrive in the 21st century. Students experience personal leadership as a practice in being accountable for actions, attitudes, and talents that contribute to their successes.

We believe in continuous professional learning to provide the most relevant, engaging, and collaborative environment to promote 21st-century learning for our children. Relationships are a priority, and we address the needs of the whole child, both academic and social-emotional.

We are a community of learners who all participate in personal and professional goal-setting, tracking, and reflection on our impact on student learning and achievement. Our students thrive in a learning environment that embraces authentic, real-world applications where they can collaborate, communicate, and create while pushing themselves to think critically about their learning.

ACADEMIC PERFORMANCE

Istation by grade level

Lewisville ISD monitors students' reading progress through the Istation computer program. Teachers can quickly assess which students need help. This chart shows the percent of students reading on grade level or showing six months growth at the end of the school year.

Some of ours include CNN Coyote News Network, Gizmo Girls STEM Club, Creative Illustrator and Author Club, Student Lighthouse Team (Student Council), Peace of Chess Yoga-Chess Club, Coyote Choir, Jump Rope Club, Safety Patrol, Kindness Ambassadors and Circle of Friends.

DIGITAL CITIZENSHIP

Renewed for next year. Earning the Common Sense School badge is a symbol of our school's dedication and commitment to helping students think critically and use technology responsibly to learn, create, and participate.
