3341

51.4

Average professional learning hours per Lewisville ISD staff member

OBSERVATION

200

Number of administrator visits to observe class instruction

100 Average number of classroom visits per administrator

Our vision

At the STEM Academy @ Donald Elementary, our vision is to provide the opportunities and support necessary to ensure all Dolphins become fearless problem-solvers who choose to face challenges with an open mind and a kind heart. As a community, we are committed to nurturing lifelong, creative, and collaborative learners who strive to make a positive impact on our global society!

Since becoming the first NISE Nationally Certified Campus for STEM Excellence in the State of Texas, the Donald community has intentionally focused on providing all our learners with opportunities that not only challenge them to grow academically, but socially and emotionally as well.

We embrace the critical role STEM plays in our future, and we understand preparing students for future STEM careers extends beyond mastery of science, technology, engineering, and math skills. We seek to grow empathetic, self-aware, future-ready learners who understand working with others is the key to making a positive impact in our world!

ACADEMIC PERFORMANCE

Istation by grade level

Lewisville ISD monitors students' reading progress through the Istation computer program. Teachers can quickly assess which students need help. This chart shows the percent of students reading on grade level or showing six months growth at the end of the school year.

CLUBS

4th and 5th grade students at Donald can participate in campus leadership activities including Student Council, LISD Kindness Ambassadors, KKIDS News, and Safety Patrol. Students in 3rd through 5th grade are encouraged to stay active through the Run Club, and 4th and 5th grade students can audition to join our Choir and Drumming programs.

DIGITAL CITIZENSHIP

Renewed for next year. Earning the Common Sense School badge is a symbol of our school's dedication and commitment to helping students think critically and use technology responsibly to learn, create, and participate.

What do our parents think?

In April 2023, parents were surveyed about the campus their child attends. Values represent the percentage of respondents who agree. Based on 211 responses.

Are satisfied overall	85.1%
I can reach out to staff to discuss my concerns	87.9%
My child feels they can go to staff for help	90.3%
My child feels that school work is important	87.4%
My child feels safe at school	97.5%
Most of the time, my child is happy at school	93.2%
School staff values my child's culture and needs	90.4%
My child's mental health and wellness are supported	92.3%
I am informed about my child's progress and grades	82.4%
Parents feel welcomed at school and are involved	92.8%
Teachers do well to help students who fall behind	87.8%
School staff communicates well with families	85.0%
School staff cares about my child	93.3%
School staff encourages my child to do their best	93.7%
I am satisfied with the school's health protocols	91.8%
I am satisfied with the school's safety protocols	94.2%

PROGRAMS

At Donald, all students participate in STEM instruction daily to support their growth as problem solvers and collaborators. Students participate in Physical Education, Music, Art, and Computer Science weekly, and additional learning opportunities are provided through Designing Dolphins.
