Welcome to the home of the Hedrick Wranglers!

We are so excited for this school year! We look forward to inviting our community to visit this beautiful new campus and to celebrate the opening with an official ribbon cutting ceremony.

Hedrick is one of four LISD middle schools chosen to be a STEM Academy. The STEM Academy offers a hands-on, collaborative learning environment dedicated to teaching students science, technology, engineering and math. By incorporating the design principles of engineering in all subject areas, we will be preparing our students for the workforce of the future.

HMS continues to offer a wide variety of academic classes including Honors, Gifted and Talented, Special Education, and high school credit classes. Advanced Placement Spanish enables our students to earn college credit for foreign language. You will also find robust Fine Arts and competitive Athletic programs for students to enjoy at Hedrick Middle School.

Our partnership with Community in Schools has created a new opportunity for our students this year with the addition of their ACE Program, providing a safe and enriching place for students each day before and after school.
