### At Hicks Elementary:

The Hicks community of students, parents, teachers and staff, are committed to building and maintaining a school climate that fosters strong relationships, safety, citizenship, collaboration, communication, a welcoming environment, exemplary academics, and respect.

We are committed the 3 C's: Communication, Connection and Culture.

Students are more than a test score.

We have a long-standing reputation of excellence with cherished traditions.

Our PTA and parent involvement is second to none. The PTA has raised funds to pour back into our students through our Fall Festival, Book Fair, Holiday Store, the Color Fun Run, just to name a few!

We are a Leader in Me School. Leader in Me is an evidenced based, comprehensive model that builds leadership and life skills in students, creates a high-trust school culture, and lays the foundation for sustained academic achievement.

1 of 2 schools in the district to have the Spanish Immersion Program (SIP).

Kindergarten through 5th grade students acquire biliteracy and bilingualism (English/Spanish) through core content that is taught in both English and Spanish.

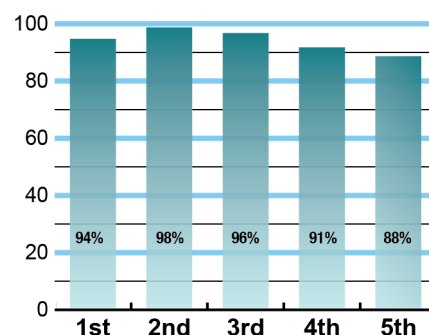

We believe that education is a foundation and a partnership between home, school and the community.

The future of our students, our community and even our country depends on our success. Together, we will find every child's strengths and enable them to be the best person they can be. At Hicks Elementary, "Our Future Starts Here."
