What we believe

At Highland Village Elementary, our mission is to work in partnership with parents and the community to engage, challenge, and empower our students through individual and collaborative experiences.

At Highland Village Elementary, we believe:

- Students' needs are our #1 priority
- All students can be successful both academically and socially
- Mistakes are an opportunity to make learning more meaningful
- Grit and perseverance are essential components for growth
- Students are more than a test score
- Each person who enters our doors feels valued and safe

"Life is Good at HVE" is our motto. We start with high quality staff who create a safe and nurturing environment. We focus on the development of the whole child with a foundational understanding of social/emotional skills and strategies. We are committed to designing authentic, real-world learning experiences that are based on curriculum standards and refined by data. Embedded throughout these experiences are relevant instruction and assessments that meet every student's academic needs. Our ultimate goal is to spark curiosity and critical-thinking in all of our students in order for each of them to feel confident and well-equipped with knowledge and skills for their future endeavors.

ACADEMIC PERFORMANCE

Istation by grade level

Lewisville ISD monitors students' reading progress through the Istation computer program. Teachers can quickly assess which students need help. This chart shows the percent of students reading on grade level or showing six months growth at the end of the school year.

CLUBS

Clubs provide opportunities for students to engage in learning of their choice beyond the classroom.

Some of our clubs include Student Council; SSA Sports, and Robotics.
