# GRADES AND PARENT CONTACTS - STAY IN THE LOOP!

Keep your Skyward contact information up to date! **Graduation information and other important messages are sent out to parents through emails or calls on our Skylert system. Graduation ticket letters will also be mailed to homes in February, so make sure addresses are current.**

**To stay in the loop you will want to make sure your primary phone number, address, and email information is current.** Log into your Skyward Family Access account to view the contact information we have on file for you.

**CHANGING PERSONAL CONTACT INFORMATION:** Your *personal contact information, Username, password or Automatic notification settings* can be changed by doing the following:

- Login to Skyward Family Access with your parent access login and Click "My Account" at the top of the page.
- Change any of the editable fields in the information which is displayed or use the links to change your username or password.

**Address changes require a new proof of residency document** be provided to the campus. This would be in the form of a current utility (gas, water, or electric) bill for the residence, in the name of a guardian for the student. Another acceptable form is the top page of lease agreement in the name of the guardian, current and lists the student as an occupant. If you need assistance to making a change to a field that is not editable, contact Luz Faz, at 469-948-3105 or email: [fazl@lisd.net](mailto:fazl@lisd.net).

**HEADS UP!** Two weeks after the Fall semester ends, there will be a student copy of their transcript posted to their portfolio on Skyward. This will show them their GPA and rank at that time. After the 3<sup>rd</sup> 9 weeks, grades will freeze for rank.

**TO GET TO PORTFOLIO:** The student portfolio link provides access to documents like Report Cards that have been placed there for your convenience.

- Login to Skyward Family Access, Select a student or leave all selected, Select: **Portfolio**, Select the report you wish to view

## **SET UP GRADEBOOK NOTIFICATION ON SKYWARD:**

- Login to Skyward Family Access, Go Into Account Settings, At the bottom, go to the Email Notifications area. At this point, you can set Skyward to send you emails if your student scores below a certain grade and you can be send weekly or daily progress reports. There is also an option for attendance notifications.

**GRADING PERIODS:** Please make sure that your senior is passing all classes for each grading period.

# Financial aid timeline

## August–September

Complete any prepwork needed for your financial aid application:

- Figure out if you need to complete the FAFSA or TASFA
- Determine your dependency status and which parent to report (or whether to report both) on your application
- Create an FSA ID (FAFSA only)
- Talk with your parents about their role in the financial aid process

## October 1

The FAFSA and TASFA open for the upcoming school year

## November–December

Check the colleges you're interested in for any financial aid deadlines. Some may have a priority deadline in this window. Submit your financial aid by each college's priority deadline to qualify for institutional scholarships and grants.

## January 15

If possible, submit your financial aid application by the state priority deadline. All public colleges and universities in Texas also use this date as their priority deadline. For private and out-of-state colleges, you'll need to check in with the institution. You may need to apply by this deadline to qualify for institutional aid and scholarships.

## March–June

Expect to receive financial aid offers from the colleges you've been accepted to. Be on the lookout for communication from colleges via email or your college portal. Each college decides when they'll send out aid offers, and you can always contact the college directly to get a better idea of when you'll receive yours.

## June 30

The last day to submit your financial aid application. But don't wait till then if you can help it!

# Which financial aid application should students use?

## Get ready to complete your financial aid application

Now that you know the benefits of applying for financial aid, it's time to answer the following questions:

- Do I submit the FAFSA or the TASFA?
- What is my timeline for submitting my financial aid application?
- What information do I need to get started on my application?
- How do I complete my application?

## Which application should I complete?

You can complete **one** of the following applications to apply for financial aid:

- **The Free Application for Federal Student Aid (FAFSA)**
  - Application for federal, state, and institutional aid
  - Available to US citizens, permanent residents, and certain [eligible noncitizens](#)
- **The Texas Application for State Financial Aid (TASFA)**
  - Application for state and institutional aid
  - Available to [Texas residents](#) who are ineligible for the FAFSA

**Note:** Your parent's citizenship status does not impact your eligibility for financial aid.

## When can I apply for financial aid?

Every year, both the FAFSA and TASFA open **October 1**. This is the earliest date you can apply to receive aid during the upcoming school year. Financial aid is offered on a first-come, first-served basis, so try to file your application as soon as possible after October 1. This will improve your chances of qualifying for the most grant, scholarship, and work-study aid.

**There are three major financial aid deadlines to mark in your calendar:**

- **State priority deadline** – In Texas, the state priority deadline is **January 15 of the current academic year**. Try to apply by this date to qualify for the most aid possible.
- **College deadline** – Each college has its own priority deadline. Most four-year public colleges in Texas use the state priority deadline of January 15. However, you should **always double check with the college**. Apply by the college's deadline to qualify for the most grants and scholarships (free money).
- **Federal deadline** – The federal filing deadline and absolute last day to submit your financial aid application is **June 30 of the school year you're requesting aid**. For example, the federal deadline for the 2022–23 application is June 30, 2023.

However, **we strongly encourage you to submit your application by the earliest priority deadline set by the state or college**. You are not guaranteed any financial aid if you wait until the filing deadline to apply. And keep in mind that the longer you wait to submit your application, the less likely it is that financial aid will be available.

**Pro tip:** For financial aid, each school year starts on July 1 and ends on June 30 of the following year. Make sure your application is for the school year in which you need financial aid, not the current academic year.

## Which financial aid application should students use?

Student Residency Status	Free Application for Federal Student Aid (FAFSA)	Texas Application for State Financial Aid (TASFA)
US citizen	✓	
Permanent resident with an Alien Registration Card (I-551 visa)	✓	
Conditional permanent resident (I-551C visa)	✓	
Eligible noncitizen with an Arrival/Departure Record (I-94 visa)	✓	
None of the statuses above BUT Texas resident, eligible for in-state tuition		✓

### **WHAT IS A FAFSA?**

The **Free Application for Federal Student Aid (FAFSA)** is the form the U.S. Department of Education (ED) requires to determine your Expected Family Contribution (EFC). The government conducts a "need analysis" based on financial information, such as income, assets, and other family information, which you (and your parents if you are a dependent student) will be asked to provide. This resource is located at: [www.fafsa.ed.gov](http://www.fafsa.ed.gov). A "Student Guide to Financial Aid" detailing types of aid available from the federal government is available at no cost by contacting 1-800-433-3243, or online at [www.federalstudentaid.ed.gov](http://www.federalstudentaid.ed.gov).

The FAFSA is the application most colleges use to determine eligibility for federal, state, and college-sponsored financial aid, including grants, educational loans, and work-study programs. All college students are expected to contribute towards their education costs. How much you and your family will be expected to contribute depends on your financial situation — and is what's called your **Expected Family Contribution (EFC)**.

***The FAFSA cannot be submitted until January 1 of the senior year. However, it is important to start early and be prepared. Financial aid is usually awarded on a "first come first serve" basis. Consequently, early application may result in a more attractive aid package. Keep copies of all completed forms and any correspondence with the financial aid office. Your application is examined by a federal processor and the results are sent by computer to the financial aid offices of the colleges you've chosen.***

Through the FAFSA website, high school juniors can take advantage of the FAFSA4caster and learn about the financial aid process, gain early awareness of aid eligibility, and much more. See page 51 for more information regarding financial aid.

- Students will be able to file FAFSA as early as October 1st each year. The earlier submission date will be a permanent change, enabling students to complete and submit a FAFSA as early as October 1 every year. (There is NO CHANGE to the 2016-17 schedule. The FAFSA became available January 1 as in previous years.)
- Students will be required to report income information from an earlier tax year.

## **SCHOLARSHIPS**

Some scholarships are *based on merit*, not financial need. Be sure to complete a scholarship application. For many colleges this must be done in addition to the application for admission. Students may be required to complete a financial needs analysis. If a college awards its own scholarship dollars to students eligible for state or federal funds, the student may not qualify for federal need-based funds. This allows the colleges to make the best use of their scholarship dollars and to serve the greatest number of students.

Students should investigate any private sources of financial aid available to them. These may include:

- Parents' employers
- Cultural Groups
- University Departments
- Businesses
- Foundations
- Contests
- Religious organizations
- Banks
- Fraternal Organizations

Criteria which may determine scholarship recipients includes:

- Grade Point Average
- ACT or SAT scores
- Letters of reference
- Class rank
- Essays
- Difficulty of HS courses
- Activities
- Interviews
- Autobiographical info
- Leadership
- Financial Need

Lewisville ISD Education Foundation (LEF) Scholarships are awarded to graduating seniors to help them in their continued educational journey. Scholarships are awarded based on specific criteria established by donors. These criteria range from academic achievement and community involvement to success outside of academic ranking and career aspirations. For more information go to: <http://lisdef.com/html/scholarships.php>

**SCHOLARSHIP NEWSLETTERS** are available in the Counseling Center, as well as on the school websites. Many colleges and universities have computer search programs for scholarships and financial aid. Other helpful addresses are listed in the chart below:

## 2022-2023 Senior Painted Parking

1. Painted and reserved parking is a privilege intended to promote school and community spirit. All vehicles in reserved spots must also purchase an LHS student sticker and will receive a hanging tag for reserved parking.
2. The fee for a reserved PAINTED parking spot in the front student lot is \$100 if you purchase in the 1<sup>st</sup> 9 weeks, does not include the supplies needed to paint your spot. Price decreases \$25 each 9 weeks' session (prices are \$75 during 2<sup>nd</sup> 9 weeks, \$50 during 3<sup>rd</sup> 9 weeks, and \$25 during 4<sup>th</sup> 9 weeks). Also, bring \$5 for the LHS parking sticker. **Complete the online parking application on the LHS website, Student Parking link labeled "LHS 2022-2023". You may also upload pictures of your driver's license and auto insurance information.**
3. Reserved parking spots are assigned on a first come, first served basis.
4. If you want a reserved PAINTED parking spot, **you must complete a parking spot design form and submit it via email or on paper to Mrs. Holt ([holts@lisd.net](mailto:holts@lisd.net)) in Mr. Lindsey's office (E126) for approval before painting begins.** Once your design has been approved, you may **not** deviate from it. Deviating from your approved design will result in the removal of your painted parking privilege and the loss of the parking fee. You will need to keep this approved design all year. (Please take a picture of your artwork or make a copy of it for future reference).
5. You may not paint over the yellow reserved strip at the base of your parking spot.
6. If anything changes on your vehicle such as license plate, or car, please notify Mrs. Holt in Mr. Lindsey's office (E126) or email [holts@lisd.net](mailto:holts@lisd.net).

**In order to follow all city and district codes, please note the guidelines below that must be followed.**

- **WATER BASED EXTERIOR LATEX PAINT is the ONLY paint that can be used.**
- No Spray/Fluorescent paint.
- You can purchase water based exterior latex paint as well as the supplies needed to decorate your spot at Lowes or Home Depot. Do not leave your supplies behind.
- Cones will be available for use, first come, first served.
- We will not be power washing or cleaning your spots first.

*According to LISD Student Code of Conduct and the Lewisville High School Student Code of Conduct, any artwork depicting items, symbols, or language that is deemed inappropriate will **NOT** be permitted.*

### DAYS TO PAINT

- **Once you have reserved your spot, painting may be done at any time after August 12, 2022, WEEKENDS ONLY.**

# FOR SENIORS REQUESTING PAINTED PARKING SPOT

# *Senior Rosecutting*

*88<sup>th</sup> Celebration!*

*Tuesday, May 16, 2023*

*7pm in the LHS Auditorium*

All seniors are invited to attend the beautiful Rosecutting Ceremony for the Class of 2023. Rosecutting has been a Lewisville tradition since 1935. This night is very special to seniors as they show their unity and enjoy their last time together as an entire class before graduating. Each senior will be able to select what friends they want to sit with during Rosecutting since graduation is in alphabetical order. All seniors are connected by a long maroon ribbon tied to their rose. They will walk in together as a class holding the rose, joined by the ribbon. Rosecutting symbolizes the separation from their class and high school as they move on to the next stage of life. Seniors will go to the stage with their groups of friends and cut the ribbon that connects them. Parents and guests are encouraged to attend this free event and take photos or video. Lewisville High School expects all seniors to participate in this momentous occasion. The evening will end with a senior slide show presentation. If you want to be in the slideshow, send pictures by May 1 of you and your senior friends together to [rosecutting2023@gmail.com](mailto:rosecutting2023@gmail.com). \$2 due by May 12, 2023.

Seniors must be in the arena NO LATER than 6:15pm dressed in appropriate attire.

Guests will go to the Auditorium. The ceremony will begin at 7:00pm.

A Final Senior Memory Slide Show will be shown so please send any senior pictures with senior friends to (we will have yearbook portraits so no individual pics):

[rosecutting2023@gmail.com](mailto:rosecutting2023@gmail.com)

If you want to see which side your graduate will be coming in on, please look at the row list and what side they are entering on Friday, May 26<sup>th</sup> on our school web page at <http://lhs.lisd.net> or a list will be posted on the front doors. However, the graduates will enter the stage and receive diplomas from the right side of the stage and go left and exit the left side. The LIVE STREAM link is coming soon! The photographers taking close up shots will send you a proof to look over to your home or email from a card the senior will fill out at graduation practice. Questions about Flash Photography, please e-mail [flash@airmail.net](mailto:flash@airmail.net). At the end of graduation, the seniors will exit the tunnel and then be dismissed to find family and friends. **PLEASE FIND A MEETING PLACE BEFORE GRADUATION STARTS SO YOU CAN FIND YOUR GRADUATE!**

Graduation is a time of celebration, but the actual event is formal and appropriate behavior is a must. Please make sure to walk with dignity and class and when sitting with your fellow graduates, show Farmer Pride by showing classy behavior. When going across the stage, please smile and continue walking. Any form of misbehavior or any act undignified will cause you to not receive your diploma that day.

***Guests in the audience:*** We ask that the audience also show their respect for our graduation, by acting dignified and with class. Please follow the following rules of etiquette for graduation:

- The audience should be seated and quiet throughout the entire ceremony. Please take the time to check that all cell phones, and watch alarms are OFF to eliminate distractions. This will insure a healthy listening atmosphere for all.
- Please avoid entering and leaving the coliseum during the activities. If it is absolutely necessary to do so, move only between changes in speakers or musical pieces.
- Feel free to exit the ceremony with small children that may become a distraction for others. It may be best to sit near an aisle and or doorway in case of the need for a speedy exit.
- Please show your approval and support for the students and speakers with applause. Whistling, cheering, and/or whooping are considered inappropriate and would interrupt the ceremony for our Graduates. If you are cheering loudly for a long duration for your graduate, you will not be able to hear the name of the next graduate.
- Conversations should be avoided.
- Noise-making devices, such as air horns, whistles, and other inappropriate distracting devices are not permitted. Items of distraction will be taken up by the coliseum Denton and Lewisville Police on security and the user will be asked to leave.

By following these guidelines, parents and guests set the proper example for our graduates and will make the festivities a more enjoyable experience for all. Every parent and family should enjoy the ceremony without a distraction as well as being able to hear their graduate's name as it is called. Thank you for celebrating with us and supporting the **Lewisville High School Graduating Class of 2023**.

### Graduations

Flash Photography has an outstanding history of 32 years of providing commencement photography in Texas. We are the largest commencement photographer in Texas and one of the largest in the nation.

Because of our vast experience in serving both the administrators and the graduates of these schools, our excellent reputation at graduation events is unmatched. Our seasoned teams have photographed commencements for many years and understand that each school has its own unique set of requirements.

Each student is photographed twice at the ceremony to insure that this very special memory is captured and can be treasured by friends and family alike. After the ceremony, graduation proofs are both mailed and emailed to the individual students – with no obligation to purchase photos. In order to insure complete privacy, our secure system provides each student with their own individual identification number for viewing proofs.

Our state-of-the-art ordering system allows students and their families to order by internet, phone, mail, or fax. Prints are mailed within 48 hours of ordering and come with a 100% money back guarantee.

Experience, quality, service- just some of the reasons Flash Photography is trusted to photograph more Texas commencements than any other company in the country.
