Lewisville High School Class of 2018

Dear Parents,

This is the year your child has been waiting for. You will soon be inundated with Senior year activities you didn't even know existed. They will come from all directions and before you know it, your child will be walking the stage. Being a Senior only happens once and this is why great senior portraits are important. You and your child will want to remember this year and senior portraits are an essential part of documenting this journey.

Prestige Portraits has been selected as the exclusive senior photographer for Lewisville High School. Our goal is to make senior portraits one of the most pleasant parts of being a senior.

So, how do you ensure your child is in the Lewisville High School yearbook?

- Schedule a summer portrait session @ www.prestigeportraits.com or call 972-669-9200.
- Select your favorite yearbook image online once the proofs arrive in the mail.

That's it! We'll take care of the rest. There is no charge for having the yearbook portrait taken at our studio. However, they are seniors. They've worked hard to get here and they deserve to be treated like a star. Our award winning photographers are experienced in providing a personalized portrait session that helps your child celebrate who they are at this point in their lives. For only \$25 you can celebrate your senior with a portrait session that includes portraits in more outfits, on more back-grounds, for a more personal experience. It also includes an environmental session *plus* a free 2018 Senior Pride shirt.

We encourage you to schedule your appointment right away. As the official district photographer, studio times will fill quickly. We look forward to seeing you and your Senior this summer!

STAY IN THE LOOP!

Keep your Skyward contact information up to date

Occasionally information is sent out to parents through emails or the Skylert call out system. To stay in the loop you will want to make sure your primary phone number and email information is current. Log into your Skyward Family Access account to view the contact information we have on file for you.

CHANGING PERSONAL CONTACT INFORMATION: Your *personal contact information, Username, password or Automatic notification settings* can be changed by doing the following:

1. Login to Skyward Family Access with your parent access login.
2. Click "My Account" at the top of the page.
3. Change any of the editable fields in the information which is displayed or use the links to change your username or password.

Address changes require a new proof of residency document be provided to the campus. This would be in the form of a current utility (gas, water, or electric) bill for the residence, in the name of a guardian for the student. Another acceptable form is the top page of lease agreement in the name of the guardian, current and lists the student as an occupant. If you need assistance to making a change to a field that is not editable, contact Linda Hrubo, at 469-948-3105 or email: hruhol@lisd.net

HEADS UP! Two weeks after the Fall semester ends, there will be a student copy of their transcript posted to their portfolio on Skyward. This will show them their GPA and rank at that time. After the 3rd 9 weeks, grades will freeze for rank.

TO GET TO PORTFOLIO: The student portfolio link provides access to documents like Report Cards that have been placed there for your convenience.

1. Login to Skyward Family Access.
2. Select a student or leave all selected.
3. Select: **Portfolio**.
4. Select the report you wish to view

SET UP GRADEBOOK NOTIFICATION ON SKYWARD:

1. Login to Skyward Family Access.
2. Go Into Account Settings
3. At the bottom, go to the Email Notifications area. At this point, you can set Skyward to send you emails if your student scores below a certain grade and you can be send weekly or daily progress reports. There is also an option for attendance notifications.

GRADING PERIODS: Please make sure that your senior is passing all classes for each grading period.

Transcript FAQ's

How do I request a transcript be sent to my college?

You will need to fill out the yellow request form that is found outside the registrar's office (G102). Please allow at least 2 weeks prior to any deadlines. Transcripts are sent in order of receipt. Typically, transcripts are sent out within 24-48 business hours of receipt, but there are extremely busy times that will take up to 7 days to send out. So please, plan ahead!

How much do transcripts cost to send out?

The first five transcripts plus the final transcript are sent free of charge, anything over 5 will be a charge of \$3 each, payable at the time of the request.

Is my transcript sent electronically or by mail?

Transcripts are sent electronically to all Texas public colleges/universities via TRES. If possible, all others will be sent via eScripSafe or mail. Transcripts cannot be faxed or emailed. Official transcripts cannot be given to a student or a parent, per TEA guidelines. Unofficial transcripts can be found on Skyward under the Student Profile tab.

What is included in the transcript when the registrar sends it?

The transcript, including grades, credits, GPA and class rank and STAAR results.

What is not included in the transcript when the registrar sends it?

ACT/SAT scores are not included, you will need to request ACT or College Board to send your scores to the college. Immunization records are not included, please request those from the school nurse and you will need to send those on your own. Waivers are not included, those must be sent by the student as well.

Who is the registrar and how do I get in contact with her?

The registrar is Shelley Cope in G102, under the stairs on the main floor, next to the nurses office.

Direct desk line is 469-948-3107, fax # is 972-350-9293, email is copes@lisd.net.

WHAT IS A FAFSA?

The **Free Application for Federal Student Aid (FAFSA)** is the form the U.S. Department of Education (ED) requires to determine your Expected Family Contribution (EFC). The government conducts a “need analysis” based on financial information, such as income, assets, and other family information, which you (and your parents if you are a dependent student) will be asked to provide. This resource is located at: www.fafsa.ed.gov. A “Student Guide to Financial Aid” detailing types of aid available from the federal government is available at no cost by contacting 1-800-433-3243, or online at www.federalstudentaid.ed.gov.

The FAFSA is the application most colleges use to determine eligibility for federal, state, and college-sponsored financial aid, including grants, educational loans, and work-study programs. All college students are expected to contribute towards their education costs. How much you and your family will be expected to contribute depends on your financial situation — and is what’s called your **Expected Family Contribution (EFC)**.

The FAFSA cannot be submitted until January 1 of the senior year. However, it is important to start early and be prepared. Financial aid is usually awarded on a “first come first serve” basis. Consequently, early application may result in a more attractive aid package. Keep copies of all completed forms and any correspondence with the financial aid office. Your application is examined by a federal processor and the results are sent by computer to the financial aid offices of the colleges you’ve chosen.

Through the FAFSA website, high school juniors can take advantage of the FAFSA4caster and learn about the financial aid process, gain early awareness of aid eligibility, and much more. See page 51 for more information regarding financial aid.

- Students will be able to submit a FAFSA⁴ earlier. Students will be able to file a 2017-18 FAFSA as early as Oct. 1, 2016, rather than beginning on Jan. 1, 2017. The earlier submission date will be a permanent change, enabling students to complete and submit a FAFSA as early as October 1 every year. (There is NO CHANGE to the 2016-17 schedule. The FAFSA became available January 1 as in previous years.)
- Students will use earlier income information. Beginning with the 2017-18 FAFSA, students will be required to report income information from an earlier tax year. For example, on the 2017-18 FAFSA, students (and parents, as appropriate) will report their 2015 income information, rather than their 2016 income information.

SCHOLARSHIPS

Some scholarships are *based on merit*, not financial need. Be sure to complete a scholarship application. For many colleges this must be done in addition to the application for admission. Students may be required to complete a financial needs analysis. If a college awards its own scholarship dollars to students eligible for state or federal funds, the student may not qualify for federal need-based funds. This allows the colleges to make the best use of their scholarship dollars and to serve the greatest number of students.

Students should investigate any private sources of financial aid available to them. These may include:

- ↘ Parents' employers
- ↘ Cultural Groups
- ↘ University Departments
- ↘ Businesses
- ↘ Foundations
- ↘ Contests
- ↘ Religious organizations
- ↘ Banks
- ↘ Fraternal Organizations

Criteria which may determine scholarship recipients includes:

- ↘ Grade Point Average
- ↘ ACT or SAT scores
- ↘ Letters of reference
- ↘ Class rank
- ↘ Essays
- ↘ Difficulty of HS courses
- ↘ Activities
- ↘ Interviews
- ↘ Autobiographical info
- ↘ Leadership
- ↘ Financial Need

Lewisville ISD Education Foundation (LEF) Scholarships are awarded to graduating seniors to help them in their continued educational journey. Scholarships are awarded based on specific criteria established by donors. These criteria range from academic achievement and community involvement to success outside of academic ranking and career aspirations. For more information go to: <http://lisdef.com/html/scholarships.php>

SCHOLARSHIP NEWSLETTERS are available in the **Counseling Center**, as well as on the school websites. Many colleges and universities have computer search programs for scholarships and financial aid. Other helpful addresses are listed in the chart below:

Graduation is a time of celebration, but the actual event is formal and appropriate behavior is a must. Please make sure to walk with dignity and class and when sitting with your fellow graduates, show Farmer Pride by showing classy behavior. When going across the stage, please smile and continue walking. Any form of misbehavior or any act undignified will cause you to not receive your diploma that day.

Guests in the audience: We ask that the audience also show their respect for our graduation, by acting dignified and with class. Please follow the following rules of etiquette for graduation:

- The audience should be seated and quiet throughout the entire ceremony. Please take the time to check that all cell phones, beepers, and watch alarms are OFF to eliminate distractions. This will insure a healthy listening atmosphere for all.
- Please avoid entering and leaving the coliseum during the activities. If it is absolutely necessary to do so, move only between changes in speakers or musical pieces.
- Feel free to exit the ceremony with small children that may become a distraction for others. It may be best to sit near an aisle and or doorway in case of the need for a speedy exit.
- Please show your approval and support for the students and speakers with applause. Whistling, cheering, and/or whooping are considered inappropriate and would interrupt the ceremony for our Graduates. If you are cheering loudly for a long duration for your graduate, you will not be able to hear the name of the next graduate.
- Conversations should be avoided.
- Noise-making devices, such as air horns, whistles, and other inappropriate distracting devices are not permitted. Items of distraction will be taken up by the coliseum Denton and Lewisville Police on security and the user will be asked to leave.

By following these guidelines, parents and guests set the proper example for our graduates and will make the festivities a more enjoyable experience for all. Every parent and family should enjoy the ceremony without a distraction as well as being able to hear their graduate's name as it is called. Thank you for celebrating with us and supporting the **Lewisville High School Graduating Class of 2018**.

Commencement Traffic & Parking Information at UNT

Incoming Commencement Traffic

Fouts Field (Lot #20) and other close lots (#21 & #27) will be the main parking area for high school commencements. The majority of the traffic will be coming through the North Texas Blvd (NTB) exit. These lots will get full and there will be a large amount of traffic congestion at the NTB exit of I-35 and the intersections close to the lot and the Coliseum. We encourage everyone to take the alternative routes both into and out of campus listed below utilizing parking in the remote lots on the map to lessen waiting times and traffic congestion.

Alternatives to avoid traffic congestion @ North Texas Blvd

I-35E (from Lewisville, Carrollton, Dallas): Exit Ft. Worth Dr. or McCormick, take a right heading north, turn left on Eagle Dr. and park in the UNT student resident hall parking lots along Eagle Dr. (Lots #22, #23, #31, and #32) and other student parking along Maple and Highland (Lots #24, #25, #30, #33, #34, #36, and #42).

Exiting Commencement Traffic: When your commencement ceremony is over and you are ready to leave campus, we encourage you to travel east using W Hickory St., Highland St., or Eagle Dr. All of these streets intersect Carroll Blvd., which runs south (take a right) back to I-35 and north (take a left) back to Hwy 380 (University Dr.). Another alternative for those who want to go south on I-35E towards Lewisville is to travel east on Eagle Dr. and take a right on Dallas Dr. which becomes I-35E south.

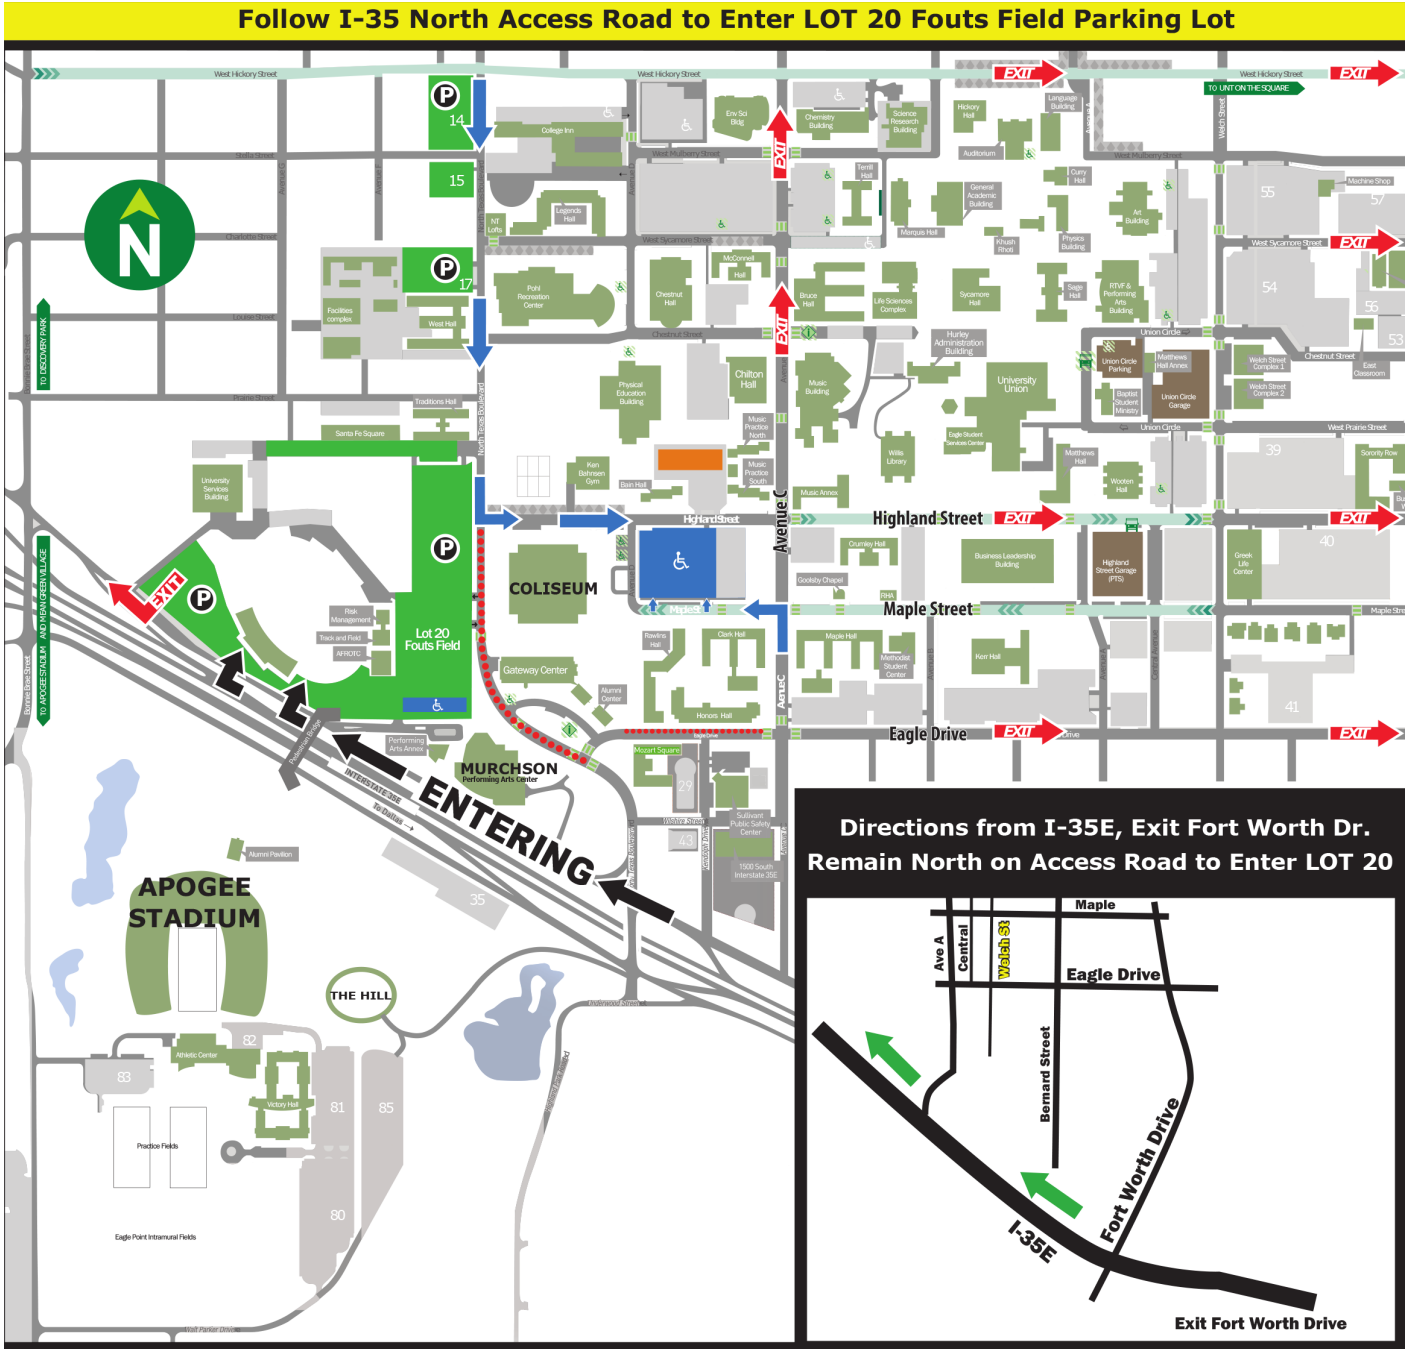

Handicapped Parking Information

- A Handicapped & disabled drop off area (indicated on map) is available along the east side of the Coliseum on Ave D between Highland & Eagle Dr.
- Handicapped parking is available in Lot # 27 which is located between Highland St, Maple St, Avenue D, and Avenue C.

Hearing Impaired: If you have family members who are hearing impaired and need a translator please contact Mrs. Stamey at stameya@lisd.net or call 214-543-6717 two months before graduation. Section 120 in the coliseum will be the area for the hearing impaired if it is needed.
