Senior Rosecutting

87th Celebration!

Tuesday, May 17, 2022

7pm in the LHS Auditorium

All seniors are invited to attend the beautiful Rosecutting Ceremony for the Class of 2022. Rosecutting has been a Lewisville tradition since 1935. This night is very special to seniors as they show their unity and enjoy their last time together as an entire class before graduating. Each senior will be able to select what friends they want to sit with during Rosecutting since graduation is in alphabetical order. All seniors are connected by a long maroon ribbon tied to their rose. They will walk in together as a class holding the rose, joined by the ribbon. Rosecutting symbolizes the separation from their class and high school as they move on to the next stage of life. Seniors will go to the stage with their groups of friends and cut the ribbon that connects them. Parents and guests are encouraged to attend this free event and take photos or video. Lewisville High School expects all seniors to participate in this momentous occasion. The evening will end with a senior slide show presentation. If you want to see which side your graduate will be coming in on, please look at the row list and what side they are entering on Friday, May 27th on our school web page at <http://lhs.lisd.net> or a list will be posted on the front doors. However, the graduates will enter the stage and receive diplomas from the right side of the stage and go left and exit the left side. The LIVE STREAM link is coming soon! The photographers taking close up shots will send you a proof to look over to your home or email from a card the senior will fill out at graduation practice. Questions about Flash Photography, please e-mail flash@airmail.net. At the end of graduation, the seniors will exit the tunnel and then be dismissed to find family and friends. **PLEASE FIND A MEETING PLACE BEFORE GRADUATION STARTS SO YOU CAN FIND YOUR GRADUATE!**

Graduation is a time of celebration, but the actual event is formal and appropriate behavior is a must. Please make sure to walk with dignity and class and when sitting with your fellow graduates, show Farmer Pride by showing classy behavior. When going across the stage, please smile and continue walking. Any form of misbehavior or any act undignified will cause you to not receive your diploma that day.

Guests in the audience: We ask that the audience also show their respect for our graduation, by acting dignified and with class. Please follow the following rules of etiquette for graduation:

- The audience should be seated and quiet throughout the entire ceremony. Please take the time to check that all cell phones, and watch alarms are OFF to eliminate distractions. This will insure a healthy listening atmosphere for all.
- Please avoid entering and leaving the coliseum during the activities. If it is absolutely necessary to do so, move only between changes in speakers or musical pieces.
- Feel free to exit the ceremony with small children that may become a distraction for others. It may be best to sit near an aisle and or doorway in case of the need for a speedy exit.
- Please show your approval and support for the students and speakers with applause. Whistling, cheering, and/or whooping are considered inappropriate and would interrupt the ceremony for our Graduates. If you are cheering loudly for a long duration for your graduate, you will not be able to hear the name of the next graduate.
- Conversations should be avoided.
- Noise-making devices, such as air horns, whistles, and other inappropriate distracting devices are not permitted. Items of distraction will be taken up by the coliseum Denton and Lewisville Police on security and the user will be asked to leave.

By following these guidelines, parents and guests set the proper example for our graduates and will make the festivities a more enjoyable experience for all. Every parent and family should enjoy the ceremony without a distraction as well as being able to hear their graduate's name as it is called. Thank you for celebrating with us and supporting the **Lewisville High School Graduating Class of 2022**.

Graduations

Flash Photography has an outstanding history of 32 years of providing commencement photography in Texas. We are the largest commencement photographer in Texas and one of the largest in the nation.

Because of our vast experience in serving both the administrators and the graduates of these schools, our excellent reputation at graduation events is unmatched. Our seasoned teams have photographed commencements for many years and understand that each school has its own unique set of requirements.

Each student is photographed twice at the ceremony to insure that this very special memory is captured and can be treasured by friends and family alike. After the ceremony, graduation proofs are both mailed and emailed to the individual students – with no obligation to purchase photos. In order to insure complete privacy, our secure system provides each student with their own individual identification number for viewing proofs.

Our state-of-the-art ordering system allows students and their families to order by internet, phone, mail, or fax. Prints are mailed within 48 hours of ordering and come with a 100% money back guarantee.

Experience, quality, service- just some of the reasons Flash Photography is trusted to photograph more Texas commencements than any other company in the country.

GRADES AND PARENT CONTACTS - STAY IN THE LOOP!

Keep your Skyward contact information up to date! Occasionally information is sent out to parents through emails or the Skylert call out system. To stay in the loop you will want to make sure your primary phone number and email information is current. Log into your Skyward Family Access account to view the contact information we have on file for you.

CHANGING PERSONAL CONTACT INFORMATION: Your *personal contact information, Username, password or Automatic notification settings* can be changed by doing the following:

- Login to Skyward Family Access with your parent access login and Click "My Account" at the top of the page.
- Change any of the editable fields in the information which is displayed or use the links to change your username or password.

Address changes require a new proof of residency document be provided to the campus. This would be in the form of a current utility (gas, water, or electric) bill for the residence, in the name of a guardian for the student. Another acceptable form is the top page of lease agreement in the name of the guardian, current and lists the student as an occupant. If you need assistance to making a change to a field that is not editable, contact Luz Faz, at 469-948-3105 or email: fazl@lisd.net.

HEADS UP! Two weeks after the Fall semester ends, there will be a student copy of their transcript posted to their portfolio on Skyward. This will show them their GPA and rank at that time. After the 3rd 9 weeks, grades will freeze for rank.

TO GET TO PORTFOLIO: The student portfolio link provides access to documents like Report Cards that have been placed there for your convenience.

- Login to Skyward Family Access, Select a student or leave all selected, Select: **Portfolio**, Select the report you wish to view

SET UP GRADEBOOK NOTIFICATION ON SKYWARD:

- Login to Skyward Family Access, Go Into Account Settings, At the bottom, go to the Email Notifications area. At this point, you can set Skyward to send you emails if your student scores below a certain grade and you can be send weekly or daily progress reports. There is also an option for attendance notifications.

GRADING PERIODS: Please make sure that your senior is passing all classes for each grading period.

FAFSA®

Free Application for Federal Student Aid

WHAT IS A FAFSA?

The **Free Application for Federal Student Aid (FAFSA)** is the form the U.S. Department of Education (ED) requires to determine your Expected Family Contribution (EFC). The government conducts a “need analysis” based on financial information, such as income, assets, and other family information, which you (and your parents if you are a dependent student) will be asked to provide. This resource is located at: www.fafsa.ed.gov. A “Student Guide to Financial Aid” detailing types of aid available from the federal government is available at no cost by contacting 1-800-433-3243, or online at www.federalstudentaid.ed.gov.

The FAFSA is the application most colleges use to determine eligibility for federal, state, and college-sponsored financial aid, including grants, educational loans, and work-study programs. All college students are expected to contribute towards their education costs. How much you and your family will be expected to contribute depends on your financial situation — and is what’s called your **Expected Family Contribution (EFC)**.

Click here for deadlines: <https://fafsa.gov/fotw1718/pdf/Deadlines.pdf>

Financial aid is usually awarded on a “first come first serve” basis. Consequently, early application may result in a more attractive aid package. Keep copies of all completed forms and any correspondence with the financial aid office.

Your application is examined by a federal processor and the results are sent by computer to the financial aid offices of the colleges you’ve chosen.

Through the FAFSA website, high school juniors can take advantage of the FAFSA4caster and learn about the financial aid process, gain early awareness of aid eligibility, and much more. See page 51 for more information regarding financial aid.

SCHOLARSHIPS

Some scholarships are *based on merit*, not financial need. Be sure to complete a scholarship application. For many colleges this must be done in addition to the application for admission. Students may be required to complete a financial needs analysis. If a college awards its own scholarship dollars to students eligible for state or federal funds, the student may not qualify for federal need-based funds. This allows the colleges to make the best use of their scholarship dollars and to serve the greatest number of students.

Students should investigate any private sources of financial aid available to them. These may include:

- Parents’ employers
- Businesses
- Religious organizations
- Cultural Groups
- Foundations
- Banks
- University Departments
- Contests
- Fraternal Organizations

Criteria which may determine scholarship recipients includes:

- Grade Point Average
- Class rank
- Activities
- Leadership
- ACT or SAT scores
- Essays
- Interviews
- Financial Need
- Letters of reference
- Difficulty of HS courses
- Autobiographical info

Lewisville ISD Education Foundation (LEF) Scholarships are awarded to graduating seniors to help them in their continued educational journey. Scholarships are awarded based on specific criteria established by donors. These criteria range from academic achievement and community involvement to success outside of academic ranking and career aspirations. ATHLETIC SCHOLARSHIPS & NCAA SPORTS ELIGIBILITY CLEARINGHOUSE

Students who are involved in sports and think that they may qualify for an athletic scholarship need to *register* with the **NCAA Eligibility Center**. The Eligibility Center decides if your courses and ACT/SAT scores meet the requirements. This process should be done upon completion of your *junior year*. A certain grade point and ACT/SAT score are required before a student can accept an athletic scholarship. Athletes registering with the NCAA Eligibility Center *please remember* to list “9999” as one of your choices of places to send your SAT and/or ACT scores. If you forget to do this, you will have to pay additional money to send your scores.

Register on-line at www.eligibilitycenter.org.

Transcript FAQ's

How do I request a transcript be sent to my college?

You will need to go to <https://lewisvilletx.scriborder.com/>. This website is for ALL transcript requests, paper requests will no longer be accepted. Please allow at least 2 weeks prior to any deadlines. Transcripts are sent in the order of receipt. Typically, transcripts are sent out within 24-48 business hours of receipt, but there are extremely busy times that will sometimes take up to 7 days to send out. So please, plan ahead!

How much do transcripts cost to send out?

The first five transcripts plus the final transcript are sent free of charge; anything over 5 will be a charge of \$5 plus a \$4 convenience charge each, payable at the time of the request on <https://lewisvilletx.scriborder.com/>.

Is my transcript sent electronically or by mail?

Transcripts are sent electronically to most Texas public colleges/universities via ScribOrder. If possible, all others will be sent through TRES or mail. Transcripts cannot be faxed or emailed. Official transcripts cannot be given to a student or a parent, per TEA guidelines. Unofficial transcripts can be found on Skyward under the Student Profile tab.

What is included in the transcript when the registrar sends it?

The transcript, including grades, credits, GPA and class rank (if you did not Opt Out).

What is not included in the transcript when the registrar sends it?

ACT/SAT scores are not included; you will need to request ACT or College Board to send your scores to the college. Immunization records are not included, please request those from the school nurse and you will need to send those on your own. Waivers are not included; those must be sent by the student as well.
