Graduation is a time of celebration, but the actual event is formal and appropriate behavior is a must. Please make sure to walk with dignity and class and when sitting with your fellow graduates, show Farmer Pride by showing classy behavior. When going across the stage, please smile and continue walking. Any form of misbehavior or any act undignified will cause you to not receive your diploma that day.

**Guests in the audience:** We ask that the audience also show their respect for our graduation, by acting dignified and with class. Please follow the following rules of etiquette for graduation:

- The audience should be seated and quiet throughout the entire ceremony. Please take the time to check that all cell phones, and watch alarms are OFF to eliminate distractions. This will insure a healthy listening atmosphere for all.
- Please avoid entering and leaving the coliseum during the activities. If it is absolutely necessary to do so, move only between changes in speakers or musical pieces.
- Feel free to exit the ceremony with small children that may become a distraction for others. It may be best to sit near an aisle and or doorway in case of the need for a speedy exit.
- Please show your approval and support for the students and speakers with applause. Whistling and/or whooping are considered inappropriate and would interrupt the ceremony for our Graduates. If you are cheering loudly for a long duration for your graduate, you will not be able to hear the name of the next graduate.
- Conversations should be avoided.
- Noise-making devices, such as air horns, whistles, and other inappropriate distracting devices are not permitted. Items of distraction will be taken up by the coliseum Denton and Lewisville Police on security and the user will be asked to leave.

By following these guidelines, parents and guests set the proper example for our graduates and will make the festivities a more enjoyable experience for all. Every parent and family should enjoy the ceremony without a distraction as well as being able to hear their graduate's name as it is called. Thank you for celebrating with us and supporting the **Lewisville High School Graduating Class of 2023.**

Flash Photography has an outstanding history of 32 years of providing commencement photography in Texas. We are the largest commencement photographer in Texas and one of the largest in the nation.

Because of our vast experience in serving both the administrators and the graduates of these schools, our excellent reputation at graduation events is unmatched. Our seasoned teams have photographed commencements for many years and understand that each school has its own unique set of requirements.

Each student is photographed twice at the ceremony to insure that this very special memory is captured and can be treasured by friends and family alike. After the ceremony, graduation proofs are both mailed and emailed to the individual students – with no obligation to purchase photos. In order to insure complete privacy, our secure system provides each student with their own individual identification number for viewing proofs.

Our state-of-the-art ordering system allows students and their families to order by internet, phone, mail, or fax. Prints are mailed within 48 hours of ordering and come with a 100% money back guarantee.

Experience, quality, service- just some of the reasons Flash Photography is trusted to photograph more Texas commencements than any other company in the country.
