

Why Should You Get Involved In Your Student Body Organization!

Student Council is the voice of the students. Your involvement will help to better Lewisville High School by representing the interests of friends, as well as community members. It also looks great on college and job applications. We have over 100 projects a year planned by our committees and officers.

- **Student Pride and Patriotism** (Homecoming Activities, Teacher Appreciation, School Spirit, Prom, Holiday's, etc.)
- **DASH** (Drugs, Alcohol, Safety, and Health Projects such as Red Ribbon Week, Operation Beautiful, Seatbelt safety, etc.)
- **Energy and Environment** (Recycling and Beatification Projects)
- **School Service** (Elections, Spirit Wear/Store, Dances, etc.)
- **Community Service** (All community events such as Angel Tree, canned food drive, Senior citizen technology training, etc.)
- **LISD Helpers**: Volunteer to help our feeder schools with field day and many other events.

Student Council meets every Wednesday during A block lunch, and every Thursday during B Block. We have a fun night where Harmon, Killough, and LHS and join together at a fun spot around Lewisville! Our officers are here to assist you in whatever you may need at Lewisville High School.

For more information, e-mail Allison Stamey at stameya@lisd.net or Dan Moser, moserdr@lisd.net. Tricia Jennings, jenningsp@lisd.net is the Killough Advisor and Amy Farrelly, farrellya@lisd.net is the Harmon Advisor.

LHS StuCo . . . Where Leadership Rules!
