## NJROTC ORIENTATION

**FREE**

**A203**

### FIRST YEAR NJROTC ORIENTATION!

Freshman Orientation, or "Fish Camp," is an excellent way to familiarize yourself with the NJROTC program and activities performed in our student-led unit. The goal of NJROTC is to make strong, confident, capable and quality United States citizens that will positively impact whichever community they belong to after graduation from Lewisville High School. This camp will show you how we accomplish this objective by introducing you to Navy physical training, basic drill movements and other aspects of our program. We will also issue uniforms prior to the beginning of school if you are registered for the course. Bring a water bottle and wear comfortable workout clothing with running shoes. **WALK UPS WELCOME!**

**DATES:** August 4<sup>th</sup> - 7<sup>th</sup> and 10<sup>th</sup>

# CAMP INVENTION !!!!! EXTENDED CAMP OFFERED!

Lewisville High School is pleased to offer the nationally acclaimed Camp Invention program to children entering 1<sup>ST</sup> – 6<sup>TH</sup> grades again this year. Every year the curriculum changes, keeping Camp Invention fresh and fun. *This year is no exception as we introduce our NEW 2020 program, **ELEVATE!*** Elevate, sparks excitement and inspiration as children engage in hands-on challenges, discover world-changing inventors, and build their confidence as creators and innovators. **Camp Invention Flight Lab™** Imaginations soar as children learn about flight with paper planes, gliders, rockets, heliballs and hand-copters. They build a cityscape out of upcycled materials, navigate planes through a storm and take apart a robot they'll bring home at the end of the program. **Design Thinking Project™** Children learn the value of their creativity as they bring their biggest ideas to life. To become successful entrepreneurs, they create sketches, build prototypes, design logos and find out how to market their products while protecting their intellectual property. **Rescue Squad™** Using teamwork and problem-solving skills, children protect the Earth's ecosystems. Inspiring activities include competing in zipline races, exploring energy conservation, eliminating pollution and helping wildlife in habitats across the country. **Camp Invention Champions™** As they discover the great inventors behind their favorite sports, children apply their own ingenuity and design thinking. They trade inventor playing cards, create and play their own high-energy hover-ball games, and design and build the ultimate sports complex. **Space is limited! Free t-shirts will be given. MUST PRE-REGISTER!!!**
