Dear 5th Grade Parents,

We would like to offer you an opportunity to place a dedication to your child in the 2017-2018 Yearbook. This is a great way to mark the ending of your child's elementary years. Dedication cost is \$15. This can be done online at www.yearbookordercenter.com

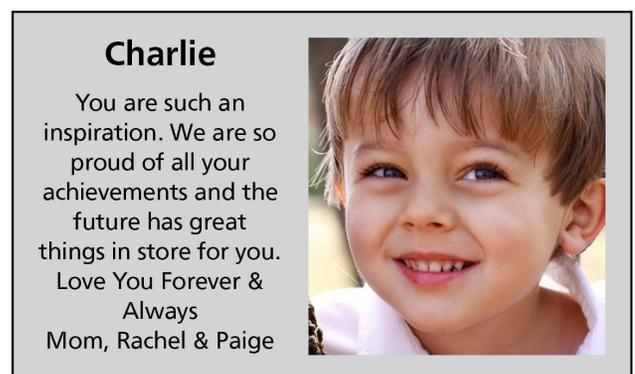

[Using order #14920.](#)

Select the GREEN "I want to use Online Ad Creation" Button.

It will walk you through the dedication process.

Here is a previous yearbook ad as an example, and you can look at past yearbooks for more ideas about how to design your dedication. The students really do love the messages their family sends to them in this way.

If you need help, email Mrs. Mitchener at mitchener@lisd.net.

Thank you,

Becky Mitchener
