8. A pop-up box will appear. Click the **Create Apple ID** button in the bottom left hand corner of the pop-up window.

9. A welcome screen will appear. Click on the **Continue** button in the lower right-hand corner of the screen.

10. The **Apple Terms of Agreement and Privacy Policy** page will appear. Click the checkbox in the lower right-hand corner to state that you have read and agree to the terms.

Terms and Conditions and Apple Privacy Policy

Please read and agree to these Terms & Conditions in order to use the iTunes Store.
If the billing address of your payment information is not in United States, [click here](#).

I have read and agree to these terms and conditions.

11. Click the **Agree** button below the terms.

12. Begin the process of creating your Apple ID by entering a personal email address that you plan to use for your student's Apple ID Account.

DO NOT use your LISD school gmail account. You may create a new personal gmail account to use for your iTunes account or use one that you already have.

13. Enter a password. You must follow the Apple password requirements that pop up in a box below the password box.

14. Verify your password by typing it again. If they do not match or you have not followed the rules, you will get error messages and will not be allowed to continue until you comply.

Verify Password

15. Select 3 different security questions and type the answers to these questions in the boxes to the right. For the sake of simplicity, do not capitalize your answers and use one-word answers. Make sure your answers are spelled correctly. You may need to remember them later if you forget your password.

Security Info

For your protection, these questions will help us verify your identity in the future.
