CANVAS for Parents

Pairing code

Welcome to Canvas

Parents have shared how many different log-ins and systems they have to manage to get information about their child's courses. You have spoken and LISD is listening.

For the 2018-19 school year, all students will access materials in their courses in a system called Canvas. This will be a "one-stop" place to go for information for each course your child is enrolled in.

As a parent you can be an observer in the Canvas Classroom

the start of school,
courses will show
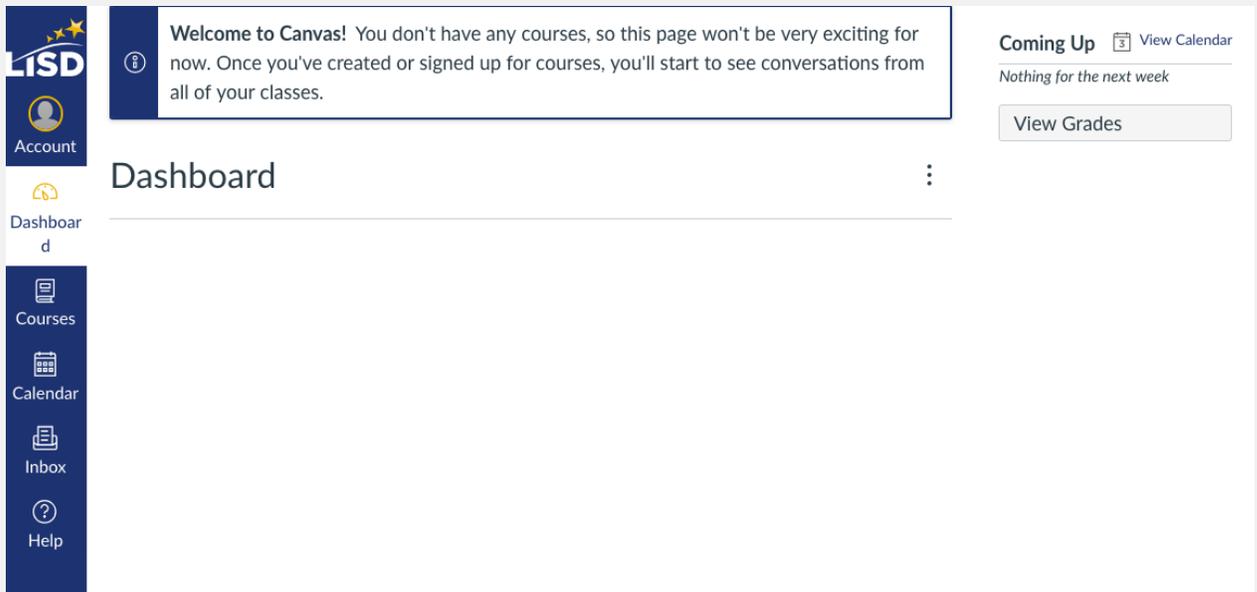

Welcome to Canvas! You don't have any courses, so this page won't be very exciting for
now. Once you've created or signed up for courses, you'll start to see conversations from
all of your classes.
