

DOWNING BOYS ATHLETIC APPARELL

Parents,

All our Athletic clothes are purchased through Locker Room Sports. You will be in charge of ordering all of your son's clothes online. Locker room sports has created a website for you to go on and order from. They will email you or call you when the clothes are ready for pickup.

We will require that each athlete purchase our athletic shirt, shorts, football pants, team socks, and gameday polo. I would also recommend to purchase a sweat top and sweat pant, because we will be outside when the weather gets colder. We will require the kids to take their clothes home to be washed so you may want to order a couple extra pair of shorts and shirts (to lessen the burden of laundry).

The football pants will have the pads built into them. There will also be some helmets offered on the website, if you wish to buy your son his own helmet. If you don't know your son's helmet size, you can go into the store and get him fitted. The game day polo will be a dry fit polo that the kids will wear to school each game day for all sports. The polo will have our logo embroidered on the shirt. I am keeping the incoming 8th graders in a black colored polo, so if his still fits you won't have to buy a new one. You are not required to buy a helmet, practice jersey, or shoulder Pads. Helmets and shoulder pads are an optional purchase. These will be provided.

If money is an issue, please let me know. We can scholarship your son, and take care of the cost for you
