Dear Griffin Parent/Guardian,

Your child will be given the opportunity to hear a powerful, live presentation by **Real Options for Women** called **180° degrees**. This is an abstinence education program that presents the startling reality of the consequences of premarital sex and the benefits of healthy relationships. The presentation will include: staggering statistics, how to set physical boundaries, and how to have great relationships in the future. Each grade level builds from year-to-year. For example, the 6<sup>th</sup> grade presentation will focus mostly on healthy relationships. 7<sup>th</sup> and 8<sup>th</sup> grade will build on that to include more statistics and consequences of unhealthy relationships. For more information check out the website at: <http://www.my180degrees.org>

**We will hold a Parent Preview on Monday, December 3<sup>rd</sup> from 5-6pm at Griffin. If you cannot attend or would like more information on the presentation you can visit the website above or click on this link that is a video recorded session of a previous Parent Preview meeting:**
