

CAREER OUT FRIDAY, MARCH 3 8:30-11:30 AM

Program Overview

Career Out is Lewisville ISD's annual job shadowing program for current LISD Juniors and Seniors. Businesses host one or more students at their facility and share career insights to help students make informed decisions about their futures.

During the session:

Time with students can be structured any way that works for your company. Ideas include:

- Company overview and tour
- Rotate through various career disciplines
- Share what a "typical day" looks like
- Incorporate actual work when possible
- Share the education background required and courses needed for different roles
- Have open dialogue and Q&A time with students about your line of work
- Tell students why you love what you do

Join us in inspiring the future workforce!
