Varsity Captain Info

Seniors to be that will be trying out for captain need to have a one-page essay ready to turn in by March 23rd. The essay should cover what qualities and experience that you have to make a strong captain and why you feel you would be the best captain for the team. Make a cover page with your name on it, but do not include your name anywhere in the essay. Seniors must be returning varsity members that will not be graduating early. JV and
