

## 2024 TCHS Cheer Fundraising Groups

- These are the tentative fundraising groups that the kids will work for this year. We have worked really hard to make the groups with equal numbers of kids from each squad at each fundraiser, so please only ask for a switch if there is an absolute need, not because your best friend is working a different fundraiser. You must find your own replacement from a member from your own team and then get it cleared through the coaches with the fundraising switch form at least one week in advance. You may only switch, not get someone to cover for you because each cheerleader is required to do two fundraiser days. A cheerleader may volunteer to work more for community service hours if they are needed. Please remember that we are asking each parent to volunteer to help at least at one of the designated fundraisers that your child is at!
