Mustang "Denmate"
\$45.00 (Includes Tax)

Dear Director,

We would like to express our appreciation to the many schools who have rented refrigerators from Mustang Refrigerator Rentals during your stay at previous camps. Because of the tremendous response for this service in past years, we are continuing to offer compact refrigerators for the **low rental price of \$45.00**, which includes tax. This service includes free delivery and pick-up to and from your residence hall.

The students may split the fee, (Example, 3 students per 1 refrigerator = \$15.00 each). Units will be delivered on the first day of your camp. Please check-in with our on-campus refrigerator booth upon arrival. **It is imperative that you stop by our booth to give us your residence hall room assignments, even if you have already sent in your order and money.**

If you pre-order 10 or more refrigerators, you will receive one complimentary refrigerator rental for the duration of your stay at camp.

To ensure availability and first day delivery, please return the enclosed reservation form by **Mail or E-mail** as soon as possible. Please send a check or money order with your reservation made payable to Mustang Refrigerator Rentals (\$41.57 + \$3.43 sales tax for a total of \$45.00 per refrigerator) at least five business days before camp arrival. **PLEASE DO NOT SEND CASH THROUGH THE MAIL AS WE CANNOT BE HELD RESPONSIBLE.**

Having the convenience of a compact refrigerator in your room will encourage the consumption of more nutritious milk, sports drinks, fresh fruit, deli meat, and cheese rather than more expensive snacks and soft drinks out of vending machines.

Mustang Refrigerator Rentals has been renting to students for over 49 years and we hope to extend this same service to you to make your stay at SMU more enjoyable.

Thank You,
Mary Patrick
