

## Sign Crew Duties

- **Bring all signs and supplies to the field (or load on the bus for away games). Sign crew will be designated to get the following items: Permanent signs to hang, spirit items and tables for home games (for booster club parents to sell), crowd involvement signs, footballs/T-shirts to throw, etc. All supplies must be organized in the locker room immediately following the the Friday pep-rally, or at the end of 4th period cheer class. You are responsible for the items that you are designated, so you are not allowed to switch with someone else.**
- **Stay at the game until the end to return everything back to the cheer closet.**
- **All JV and freshmen cheerleaders are required to do the assigned sign crew duties at Varsity football games. The sign crew is to arrive at the locker room in the designated uniform 10 minutes before time that varsity arrives for home games. The sign crew must ride with the squad to away games and must arrive 10 minutes before the designated varsity leave time. If you have a conflict on the date assigned, you must find a replacement and fill out the game switch google form, and turn it in to Coach Jones at least one week in advance. You may only SWITCH with another squad member from your team; you cannot just have them work in your place.**
- **The varsity sign crew for the week will be in charge of bringing the game gift to exchange with the opposing cheerleaders.**
- **The sign crew will need to be down on the field at the track the entire time. They will also need to begin collecting all the supplies with 2 min left in the game. ALL sign crew will sit together down on the track; there are no cell phones allowed and they should always be in full uniform since they are on duty. They should also only be eating at halftime or when designated by the coach. When bringing items to and from the locker room or bringing them to or from the bus, they MUST do this themselves. They can not have friends/family drive them or help them, because no outside people are allowed in the locker room. They should NEVER walk by themself to the locker room!**
- **Any sign crew member not fulfilling duties in any way will receive violations for each part that they do not do correctly.**
- **Sign crew is NOT a time to socialize in the stands with their friends; they MUST pay attention to what is going on with the game so that they are where they need to be at the correct time! DO NOT leave the track area without the coaches permission!**
