Students/Parents/Guardians-

Donating blood can be a very rewarding experience giving you the knowledge that you are helping save lives. This area is always having a shortage of blood.

**BLOOD DRIVE IS THURSDAY, NOVEMBER 3, 2022**

is our bi-annual blood drive. All students 17 years of age and above are able to give if they weigh over 110 pounds. Even if a student is 18, if they live at home we must have parent permission. We need the written permission from each student's parent/guardian for them to participate. If you allow your child to participate, please sign below and look over the attached sheet for the guidelines to giving blood. To prevent your child from getting ill after donating, each student **MUST EAT breakfast and lunch.**

I will allow my student \_\_\_\_\_, permission to donate blood on **THURSDAY, NOVEMBER 3, 2022** and will make sure that he/she will follow the guidelines. I release LISD and LHS and their employees from liability.
