

# LEWISVILLE HIGH SCHOOL

LEWISVILLE INDEPENDENT SCHOOL DISTRICT  
ESTABLISHED 1897

March 29, 2020

Farmer Family,

I want to share some important information with you as we get ready to start our week.

## Week at a Glance: March 30-April 3

At-home learning plans for the week can be found here: [Lewisville High School Main Learning Plans](#)

- You or your student can click the link, find their teacher, click on their teacher to see what is to be their learning for the week.
- This week, families will receive additional communication from teachers about learning plans and assignments.
- High school students will access their assignments through Canvas.
- Tuesday you will hear from us about the system teachers will use to communicate with students for at-home learning. Teachers are receiving training this week and will begin using the system to meet with students next week, starting April 6.
- Teachers will be able to record their virtual instruction, so students can access them at a later time.
- Students should spend about 2 hours per day on school work this week, as we are intentionally easing into at-home learning. We know our families are facing a lot of uncertainty, and we want to allow students and teachers time to adjust. We are in this together!
- We know students and families may be experiencing the need for support during this time, maybe support they have never needed in the past. LISD is in contact with community partners who can help your family, and regularly updates [lisd.net/covid19resources](https://lisd.net/covid19resources) with the latest resources available, including food resources, counseling, medical, and other family services.

## REMINDERS:

### TECHNOLOGY NEEDS

LISD will provide learning tools our families can use in the coming weeks. We would like to determine what technology tools families may need, such as Internet access at home or a device for your student to use for learning. **Our priority is to ensure each family has one device to use for completing school work.** If your family has technology needs, please complete [this form](#) and we will reach out to see how we can help.

### FREE MEALS

Currently, LISD is serving free lunch and breakfast grab & go meals, via drive-thru to all children age 18 or under. No student ID is required, but students must be present to receive a meal, as required by state and federal guidelines. For specific locations and times visit [LISD.net/COVID19Meals](https://lisd.net/COVID19Meals).

### FAQS

We know there are a lot of questions, and we are trying our best to get them answered as soon as possible. As answers become available, they will be added to the frequently asked questions page: [LISD.net/COVID19FAQ](https://lisd.net/COVID19FAQ).

While all LISD facilities remain closed, the latest updates and resources can be found at [LISD.net/COVID19](https://lisd.net/COVID19). We are a strong community and will continue to support one another through this time. Thank you for choosing to be a part of the Lewisville ISD family.

Please know that the administration and all the staff at Lewisville High School are here for you. Please don't hesitate to reach out via email if you have any questions.

It is a great day to be a Farmer,

Jeffrey Kajs  
Principal, Lewisville High School
