Student Name: _____ Grade: _____

Student ID: _____ Drivers License #: _____

Please complete the following information regarding the vehicle you will be driving:

Year:	Color:	License Plate #:
Make:	Model:	

DRIVING PRIVILEGES

Parking in the school lot is a privilege, not a basic right of a student. Students wishing to park in the TCHS lot must apply for parking permit in office A130. Parking permit fees are \$5.00 for general parking and \$25 for reserved parking (available to Senior students initially) and are required by students who are approved for parking. Parking permits will be issued at the beginning of each year, on a first-come first served basis. All parking permits are required to be renewed at the beginning of each school year. Students who violate parking privileges and/or the school behavior code are subject to disciplinary actions and/or loss of parking privileges. See the Student Handbook for more information.

Student drivers must abide by the following:

1. The front drive, north parking lot, and the parking spaces by the tennis courts are for faculty members only. **Students are prohibited from these areas at all times.** Students are to park in the student parking lot located on the West side of the building. Reserved parking places are indicated with reserved painting and an assigned number.
2. Students who park in RESERVED PARKING without the proper permit will be asked to move their cars immediately and will be subject to disciplinary action.
3. **Students must have general parking permit displayed in the vehicle's driver's side BACK window. Reserved parking hangtags must be hung around the rearview mirror so that the reserved parking number is visible.**
4. Students may not transfer parking permits to one another.
5. Entrance and exit speeds are 5 MPH and students are to observe traffic signs and markings. Further, no horn honking and car radios should be played at a volume that can be heard outside the vehicle once the vehicle enters campus.
6. Any cars parked in violation of the above procedures or without a school parking permit may be towed from the premises at the driver's/owner's expense.
7. As a condition of being allowed to park on TCHS property, and in the interest of safety, parents and students agree that The Colony High School administrators have the right to search the cars and the contents of cars parked on campus. If safety warrants, TCHS reserves the right to disable the car.
8. Students that select parking spaces by the softball fields park at their own risk with regard to foul balls.
9. TCHS is not liable for damages to vehicles while parked on school property.
10. Students are required to abide by the parking policies listed on this form as well as the parking policies listed in the Student Handbook.

I understand and agree to abide by the rules as listed:
