

The Colony High School

**“We believe we can achieve,
and we will succeed”**

4301 Blair Oaks Dr., The Colony High, Tx. 75056

August, 2020

Hello, Cougar Nation!!

It is great to welcome you back to the 2020-21 school year at The Colony High School. We are looking forward to the remote start to school on Wednesday, August 19, and to the start of school in person on September 8.

As we begin the year, we have been in unprecedented times in our school, our nation, and the world with the COVID-19 Pandemic. These days have been trying for all and have seen great trial and trouble for families everywhere. It is in this time we start this new year, but it is with hope for a great year that we look ahead. The current reality of our time is where we launch our year and our brand-new theme for the year. **2020-21 at TCHS will be a year of “Forward Focus”!**

In this current time, our theme “Forward Focus” is about looking ahead to better times and even great accomplishment. It is a time we celebrate the past successes we have enjoyed together and let those achievements propel us forward to even more. It is a theme that is about hope, intentionality, flexibility, opportunity, and determination that, regardless what the last months have brought, moving forward will bring months of great success for all of Cougar Nation!

Parents and students, we are here for you throughout this year as we work together and move forward. TCHS will have many detailed health protocols in place for our students and community, and we believe you will find these measures helpful and reassuring as you return during these days. Much more detailed information is being sent out regularly related to these protocols, and we are here to assist you in any way.

Let’s continue to join together as Cougar Nation to see many great days ahead as we launch “FORWARD FOCUS” at TCHS! Take care and we look forward to seeing you soon.

God Bless,

Dr. Tim E. Baxter

Principal
The Colony High School
