

CANVAS for Parents

Pairing code

Welcome to Canvas

Parents have shared how many different log-ins and systems they have to manage to get information about their child's courses. You have spoken and LISD is listening.

For the 2019-20 school year, all students will access materials in their courses in a system called Canvas. This will be a "one-stop" place to go for information for each course your child is enrolled in.

As a parent you can be an observer in the Canvas Classroom

Step 1

Go to

Step 4

Dashboard: After the start of school, courses will show

Welcome to Canvas! You don't have any courses, so this page won't be very exciting for now. Once you've created or signed up for courses, you'll start to see conversations from all of your classes.

Step 5

To find your child and add additional children

The screenshot shows the LISD user interface. On the left is a dark blue vertical navigation menu with icons and labels for: Account, Dashboard, Courses, Calendar, Inbox, and Help. The 'Account' option is highlighted with a red arrow pointing to it from the text 'Click on account'. To the right of the menu is a white user profile area. At the top right of this area is a close button (X). Below it is a grey silhouette icon for a user profile. Underneath the icon is a black box containing the text 'Your name here'. Below that is a 'Logout' button. Further down, a list of menu items is displayed: Profile, Settings, Notifications, Files, and ePortfolios. The 'Settings' option is highlighted with a red arrow pointing to it from the text 'Click on Settings'.

Click on account

Click on Settings

The screenshot shows the 'Canvas Presenter's settings' page. At the top left is the LISD logo and a hamburger menu icon. Below the logo is a vertical navigation menu with icons and labels for: Account, Profile, Files, Settings (highlighted with a red arrow and a red X), ePortfolios, Observing, Courses, Calendar, Inbox, and Help. The main content area is titled 'Canvas Presenter's Settings' and includes the following information:

- Full Name: Canvas Presenter (with a note: 'This name will be used for grading.')
- Display Name: Canvas Presenter (with a note: 'People will see this name in discussions, messages and comments.')
- Sortable Name: Presenter, Canvas
- Language: Your name here (in a black box)
- Time Zone: Central Time (US & Canada)

On the right side, there are sections for 'Ways to Contact', 'Email Addresses' (with one address: canvaspresenter18...), and 'Other Contacts'. At the bottom right, there are buttons for 'Edit Settings' and 'Download Submissions'. Below the settings is a section titled 'Web Services' with introductory text.

Add additional children here

The screenshot shows the Canvas Presenter interface in the 'Observing' section. On the left is a dark blue navigation sidebar with the LISD logo and icons for Account, Dashboard, Courses, Calendar, Inbox, and Help. The main content area has a breadcrumb 'Canvas Presenter > Observing' and a list of menu items: Notifications, Profile, Files, Settings, ePortfolios, and Observing (which is highlighted in dark blue). To the right of the menu is the 'Observing' title, a 'Student Pairing Code' input field, and a yellow '+ Student' button. Below this is a section titled 'Students Being Observed' with a table containing one entry, 'Your Child', which is highlighted with a black border.

You should start seeing your children's classes on or before Aug 31

Accessing your child's pairing code

Step 1

Have child log into Canvas through the LearningHub

The screenshot shows the LISD website header with the logo and navigation menu. The 'Resources' menu is open, showing options for Parents, Students, Community, and Staff. The 'For Students' option is highlighted. Below the menu, the 'Student Resources Directory' is displayed, listing various resources categorized by letter. A red arrow points from the text 'Have child log into Canvas through the LearningHub' to the 'Learning Hub' link in the 'L' category.

The screenshot shows the Canvas LMS 'Account Settings' page. A red arrow points from the 'Account' header to the 'Settings' link in the left-hand navigation menu. Another red arrow points from the 'Settings' header to the 'Settings' link in the main content area. A third red arrow points from the 'Settings' link in the main content area to the 'Full Name' field. The 'Full Name' field is highlighted with a red triangle. The 'Display Name' field is also highlighted with a red triangle. The 'Sortable Name' field is highlighted with a red triangle. The 'Language' and 'Time Zone' fields are also highlighted with a red triangle. The 'Pair with Observer' button is highlighted with a red triangle. The 'Code is good for 24 hours: one time use' text is also highlighted with a red triangle.

Pair with Observer

Full Name: This name will be used for grading.

Display Name: People will see this name in discussions, messages and comments.

Sortable Name: This name appears in sorted lists.

Language: System Default (English (US))

Time Zone: Central Time (US & Canada)

Web Services

Canvas can make your life a lot easier by tying itself in with the web tools you already use. Click any of the services in "Other Services" to see what we mean.

Code is good for 24 hours: one time use

The dialog box is titled 'Pair with Observer' and contains the following text: 'Share the following pairing code with an observer to allow them to connect with you. This code will expire in 24 hours, or after one use.' Below the text is a text input field containing the code '98z5r2'. At the bottom right of the dialog box is an 'OK' button.

Pair with Observer

Share the following pairing code with an observer to allow them to connect with you. This code will expire in 24 hours, or after one use.

98z5r2

OK

Click Pair with Observer

Once classes are published, you can access this information through the Canvas Parent App.
