

## Internship Program Admissions

Date Program Tables are updated: August 1, 2018

Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:

~~Preference may be given to applicants with experience in schools.~~ Every prospective employee of Lewisville Independent School District must go through the District's employment and hiring process, which includes undergoing and passing a background check, before being allowed to work in the district. Lewisville ISD Board Policy states that the "District shall obtain criminal history record information on final candidates for employment. All District positions have the potential for contact with students. The District shall disqualify from employment a person whose criminal history indicates that the person poses a threat to students or employees. Consistent with business necessity, the District shall also disqualify from employment a person whose criminal history is otherwise inconsistent with the job duties of the position for which the person is being considered." Each prospective employee is required to complete an Employment Eligibility Verification Form (I-9) and produce documentation of their identity and authorization to work; presentation of their social security card is required for payroll purposes. The Lewisville ISD Psychology Internship Program requires each matched Intern to sign an "Internship Acceptance Form," acknowledging that their Internship appointment and employment with the District is contingent upon successfully completing the District's hiring process. Lewisville ISD also reserves the right to refuse employment and/or terminate the contract of any intern who violates District policy, whose performance is deemed unsatisfactory, or upon notification by the intern's University that the intern has withdrawn from the University or is otherwise ineligible for the doctoral Psychology Internship Program.
