Important Message – Suicide Prevention Curriculum

Ms. Joshla Isaac

Student Assistance Counselor

We are in the process of evaluating our current Suicide Prevention Curriculum. Student voice is an important part of that process. If you would like to provide feedback on current practices, please complete the **Google form below by Friday, March 1, 2019.**

<https://goo.gl/forms/2wYtPvmDLLPGLY52>

We will also be holding a focus group to provide more feedback. Focus group will be held Tuesday March 5, 2019 in the library during Farmer Flex. If you would like to participate in the focus group, please sign up in the counselor's office. Only students with signed permission from parents will be allowed to attend.

House Bill 1386 focuses on Early Mental Health Intervention for all Texas secondary students. Best practices include a student education component as a tool for suicide prevention. Each year students in grades 6 - 12 participate in classroom lessons.

Our vision is to create an environment where our students are nurtured and supported, where stakeholders are aware of risk factors of suicide, and know how to actively seek help from accessible, effective school and community resources.

Farmer Tip Line (469) 647-2814

See Something? Say Something.

We have a Farmer Tip Line for students to anonymously report issues directly to campus administration. There are posters around the building and in classrooms with our Farmer Tip Line number. Use this tip line to anonymously report issues such as bullying, suicidal

thoughts or self-harm, dating or family violence, weapons, drugs, threats, or other alarming behavior.

Student safety is our number one priority, so remember:

See Something. Say Something.

Need to see your Counselor or Assistant Principal?

You can make an appointment with your assistant principal by scanning the QR code on the posters in the halls and completing a Google form. Ms. Flanders/Ms. Somers (A-F); Mr. Owens/Ms. Smith (G-N) or Mr. Bauter/Ms. Jones (O-Z) will call you down to meet with you.
