Yearbooks

Students can still pre-order their yearbooks this week by going to www.yearbookforever.com (They need to make sure they select the correct school year, as we are already taking orders for next year's book.) Currently, this year's book can be **pre-ordered for \$80**. After this week, the online pre-orders will close. When the books arrive in about two weeks or so, students will be able to purchase them for \$90.
