FIGHTING FARMERS CLASS OF 2022

**BEING SUCCESSFUL AT
LHS KILLOUGH**

FARMER PRIDE. IT'S ALL WE DO. IT'S WHO WE ARE.

How is being a sophomore different than being a freshman?

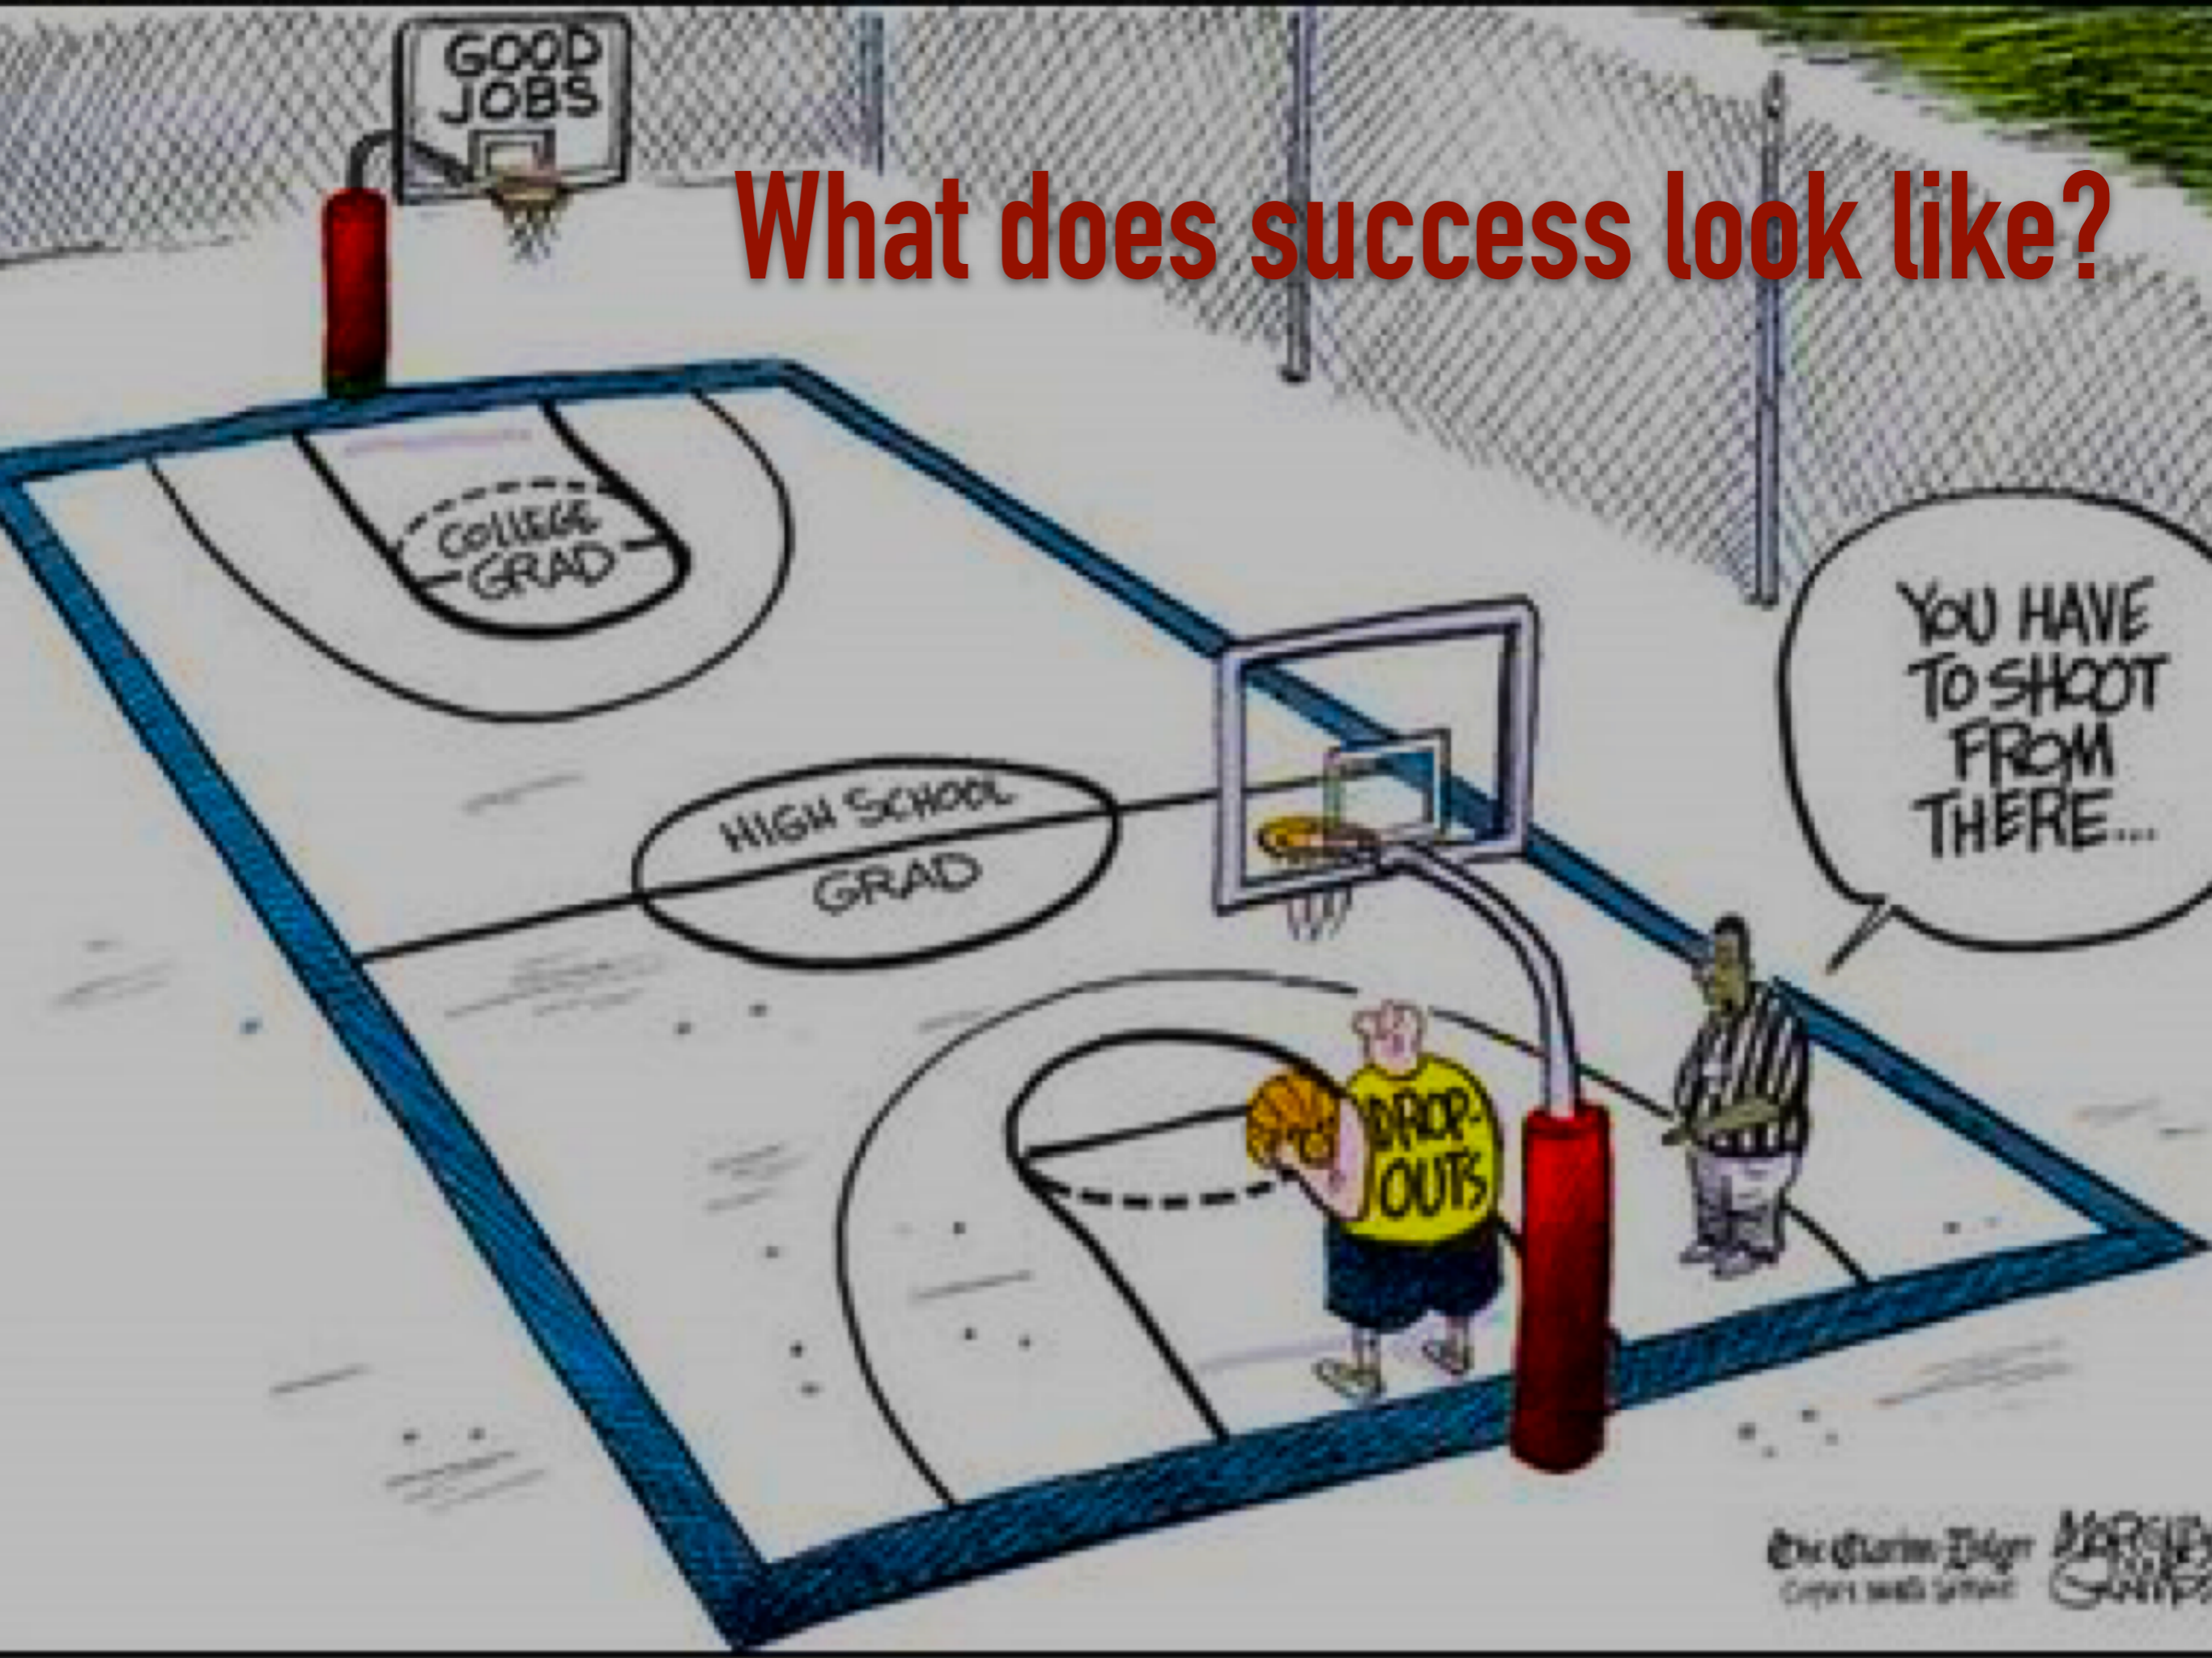

- You are campus leaders.
- You know the rules and expectations from the beginning.
- You know the teachers and staff and who to ask if you need help.
- You have more responsibilities and higher expectations, but you get more privileges too:
 - ◆ Special days in the gym and tables sports room during block lunch.
 - ◆ Bistros and courtyard.
 - ◆ More opportunities to take electives at LHS and the career centers.
- You are role models & set the example of Farmer Pride for freshmen to follow.

SOPHOMORE YEAR

- Credits, not age, determine your grade level.
 - ◆ 12 credits to become a junior.
- You must pass STAAR tests to graduate.
 - ◆ English I, Algebra I, Biology (9th grade)
 - ◆ English II (10th grade) and U.S. History (11th grade)
- 10th and 11th grade are crucial to your post-high school plans.
 - ◆ GPA and credits
 - ◆ ACT/PSAT
 - ◆ College applications
 - ◆ Career Center certificates and apprenticeships.
 - ◆ Future Ready Farmer Prep

What does success look like?

WHAT'S YOUR PLAN?

- A campus-wide focus to promote future-readiness while you are still in high school.
- Starting to develop your plan early helps to prepare you for success in your life after high school in community college, a four-year university, the military, or career school.
- Your ePortfolio will serve as a storehouse for steps you are taking toward your plan.
- LISD's vision is that all students enjoy a thriving, productive life in a future they create.

ADVICE TO HELP YOU BE SUCCESSFUL @ LHSK

- ◉ You are given more freedoms than students at many other schools, but those come with high expectations.
- ◉ Have a grateful heart for all that this staff does—tell them “Thank You” for all they do for you.
- ◉ Be present, be prepared, be organized, be responsible.
- ◉ Do your homework and pay attention in class.
- ◉ Make attending tutoring regularly a habit.
- ◉ Take advantage of the help and support offered to you.

WELCOME BACK CLASS OF 2022

POLICIES AND PROCEDURES

- iPads: You are required to bring your district-owned iPad to school every day. Misusing an iPad will mean that you lose the privilege of having one.
- Cell phones: Use phones during passing periods and lunch. Teachers decide if phones can be used in class. Unless a teacher gives you permission, your cell phone is to be put away in your pocket or backpack.
- Ear buds/headphones: You may wear one in the hallways. No ear buds/headphones allowed in classrooms unless given permission by teacher.

POLICIES AND PROCEDURES

- Hallway behavior: Use your passing periods & block lunch to talk with friends and use your cell phone. No screaming, yelling, running or horseplay.
- 15/15 Rule: You are not allowed to leave the classroom during the first and last 15 minutes of each period, except to go to the shuttle bus at the end.
- Bathroom Passes: These will be given to you during Advisory this week. You are required to use one to leave the classroom. If you do not have a pass, you will be assigned a teacher lunch detention to make up the time.
- Attendance: You must come to school. It's the law. Failure to attend school can result in a court fine and/or loss of credit in your classes.
- If you are absent, you must get an Admit Slip from the Attendance Office before school starts and give it to each of your teachers. If you wait until after school starts, you will be marked tardy.

TARDIES
