

Student ID Policy

For the safety of our students and staff, all students are required to wear IDs.

LHSK student IDs must:

-  be from the current school year.
-  be worn on a lanyard around the neck and visible at all times.
-  be worn at all times while attending school, and can only be removed for safety reasons and with teacher permission.
-  clearly show the student's picture and name. No defacing or covering of any part of the ID or wearing another student's ID is permitted.

Student IDs are required to ride the shuttle bus from one campus to another. An additional pass is needed to ride the after school shuttle to LHS and will be provided by a coach, teacher, or sponsor.

Students without IDs are allowed five free temporary ID stickers per semester, after which he/she will have a new permanent ID made in the library and be fined \$5.00, and for every five stickers thereafter. The student will be assigned to lunch detention until the ID fine is paid.

FARMER PRIDE. IT'S ALL WE DO. IT'S WHO WE ARE.
