

Student Technology Policy:

Students are expected to use their personal technology appropriately at all times.

- ✓ Use of technology in class is solely at the teacher's discretion.
- ✓ No earbuds in in class without teacher permission.
- ✓ One earbud only during passing periods & lunch.
- ✓ If you do not have permission, your iPad, earbuds, and/or phone should be out of sight in your pocket or bag.

1st Offense: Teacher holds device until the end of the class period, completes a Skyward Classroom Referral and contacts parents.

2nd Offense: Teacher fills out a Skyward Teacher Referral and brings the device to the office. Assistant Principal assigns a week of lunch detention and calls home.

3rd Offense: Teacher fills out a Skyward Teacher Referral. Student is assigned a day of PASS and is prohibited from having the device on campus for the rest of the school year.

Refusal to give device to staff as directed will be considered insubordination and could result in further disciplinary action.

LISD iPads:

- ✓ Bring to school, charged, every day.
- ✓ Keep in district-provided case at all times.
- ✓ Use only the district-provided charger.
- ✓ Report damage or loss to the office within 5 school days.
- ✓ Tech support available during block lunch in the library.

iPads are school property and are to be used for academic purposes during the school day. Failure to follow iPad rules and expectations may result in loss of the device and/or disciplinary action.
