

Accident Insurance

Lewisville ISD purchases student accident insurance for all students in grades 7-12 who participate in UIL activities, including high school football. The policy covers students during practice or participation in the UIL activity. The insurance is through Texas Kids First – www.texaskidsfirst.com or 800-388-5620.

Voluntary Student Accident Insurance can be purchased from Texas Kids First for accidents that occur outside of UIL activities and for those students who do not participate in UIL activities.
