

April 22, 2020

Hello and welcome to the Bridlewood STEM Academy, home of the Bridlewood Broncos! We are looking forward to having you and your student(s) join our Bridlewood family. Now that you have completed the online registration forms, it is time to submit necessary documents in order to complete the enrollment process. The following documents are needed: student's birth certificate, shot records, social security card, proof of residency and a copy of your driver's license. LISD has created a secure portal for your convenience. The link is <https://tinyurl.com/wk5q6no>. Once the documents are uploaded into the portal, you are almost finished. The final task is to complete a Home Language Survey upon our return in the fall. Do not worry about this survey until August.

I would also like to encourage you to peruse our Bridlewood website:
<https://www.lisd.net/bridlewood>

On our website, you will find the opportunity to purchase pre-packaged school supplies (one stop shopping), school supply lists, calendars and much more! Also, watch your email on Fridays for our informative Bridlewood Buzz.

We are excited to meet our new Bridlewood STEM Academy families and look forward to an engaging and successful 2020/2021 school year!

All my best,

Robin Block, Principal
