Beauty And The Beast

The classic story tells of Belle, a young woman in a provincial town, and the Beast, who is really a young prince trapped under the spell of an enchantress. If the Beast can learn to love and be loved, the curse will end and he will be transformed into his former self. But time is running out. If the Beast does not learn his lesson soon, he and his household will be doomed for all eternity.

Many great parts for boys & girls!! Space is limited so register soon. Classes begin in September! (payment plans are available upon request)
