

Proof of Residency

Documents Required:

A current gas, water or electric bill showing name and service address. Please note that we are unable to accept other bills such as telephone, cable, etc.

Future Leases and New Homes:

If you have recently moved and utility bills are not yet available, a fully executed lease, zoned for FM9, that shows a move-in date within six weeks of the start of school will be accepted.

OR

A fully executed contract on a new home, zoned for FM9, AND a letter from the builder or title company showing a closing date scheduled within six weeks of the start of school will be accepted.

If your move-in date does not fall within these parameters, please contact Community Services at 469-948-5206 to determine if a transfer is required to enroll your student.

A utility bill will be requested after your move-in date.

Please contact Kristy DeNisi, FM9 Registrar at 972-219-6109 or Community Services at 469-713-5206 if your student AND parent/legal guardian are residing with another person, or if your student does not live in a household with the parent/legal guardian. They will gladly assist you to determine enrollment eligibility and next steps.
