

Rapport is defined as a close and harmonious relationship in which the people or groups concerned understand each other's feelings or ideas and communicate well.

LISD Community,

I hope you are having a wonderful summer so far and have been able to enjoy some time making memories with your loved ones. I'm excited to bring you the June edition of The LISD RAPPORt, packed full of summer resources and updates from around the district you might be missing while on break.

Summer camps are taking place, summer school is ongoing, and many improvements are happening to our campuses and facilities to ensure we are ready for students to return come August. I know I've said it before, but these summer months are a busy time for many staff members in LISD and I want to thank everyone for their continued hard work as we make preparations for the upcoming school year.

As you enjoy some downtime this summer (hopefully!), take a moment to complete your back-to-school forms and ensure your contact information is correct in Skyward Family Access. You'll be glad you did once the hustle and bustle begins come August.

As we all continue to process the tragic events in Uvalde, many of you have reached out to ask me questions about our own approach to safety and security. I am first and foremost a parent in this district, like you. And there is nothing more important to me than the safety of our students and staff.

I've shared a short video update with you below where I share some information about safety and security in LISD. I want you to know we are reviewing our protocols and procedures and you will hear more from us on this important topic as we prepare for the start of a new school year. For an in-depth look at LISD's safety and security procedures, visit [LISD.net/safety](https://www.lisd.net/safety).

Keep reading for updates from our board meeting earlier this week, as well as helpful summer resources and beautiful photos from our graduation ceremonies a couple of weeks ago. Enjoy your break and I will catch up with you again next month.
