CLASS SCHEDULES

Your counselors, Mrs. Doherty, Mrs. Pierce, and Mrs. Dunham, need additional time to complete adjustments to your schedules. We will email you once schedules are released in Skyward.

The counselors thank you for your patience as they work to ensure that your schedules are accurate.

REMOTE/IN-PERSON AND VIRTUAL LEARNING

REMOTE OR IN-PERSON LEARNING

- Remote or In-person students will begin the school year remotely on August 19th – September 8th.
- You will be taught by your teachers, via WebEX.
- This will allow you to interact with your teachers and peers each class period and you will be able to ask questions and discuss the content that you are learning.
- Assignments and information will be distributed through the Canvas platform.

VIRTUAL OR VIRTUAL PLUS LEARNING

- Virtual and Virtual Plus students will also start classes on August 19th.
- You will use two platforms for learning, Edgenuity and Canvas.
- Look for your teachers to send out information about specific classes.
- This will include specifics about the class and provide instructions for you to connect to your class meetings.
