

WORD FROM WOOTEN

Monday Jan. 20

Happy Monday!

Hope you enjoyed your weekend. Friday I hosted another Coffee Talk. Thank you for those in attendance. For those of you unable to attend [Here](#) is the link to the power point highlighting some upcoming district and campus information items. Also Donuts with Dads/College Spirit Day is coming up next week. Remember if inviting dad is not an option for a multitude of reasons, any family member can attend in their place.

While in the community if you have any friends that live outside the Donald zone interested in becoming part of the Donald Stem Academy please feel free to forward them information about our upcoming STEM Information nights. Our greatest number of open slots will be in Kindergarten but we may have a few throughout 1st-5th. Please follow this link <https://www.lisd.net/stem>

Upcoming Events Week of Jan. 20-24

Monday
Jan. 20

JAN. 21

Open Kinder Registration

Donuts for Dad
College Spirit
Days

Jan. 29 A-L
Jan. 30 M-Z

Some important information:

Please do not leave your vehicle while in the car line. This blocks traffic in the afternoon and makes it difficult to keep things flowing.

I love animals, especially dogs but unless your dog is a service animal they are not permitted on school property at any time.

Once again we have parents that continue to jeopardize the safety of your children by running red lights and blocking crosswalks with their car. Obviously we missed the memo that their time is more valuable than the safety of our children. Yes- that is sarcasm and irritation all rolled into one. -Please report all violations including license plate # using this link: [here](#).

TARDIES: As the weather gets cool, tardies seem to rise. If your child is not in class by 7:45am, they will be coded as TARDY. The only exception will be in bad weather like rain. I give an extra 5 minute grace due to traffic. With that said, please plan accordingly to get here on time.

IPADS: If your child forgets their iPad, please leave them at home. They can borrow a computer at school or use the tried & true paper & pencil. The office will not accept iPads after school has started.
