YEARBOOK INFO - Books are currently being offered at the discounted price of \$60. **This will be the lowest price offered this year.** Prices will increase to \$70 on Sept. 12th, \$85 on Jan. 22nd, and \$100 on April 17. Books will only be sold through the Walsworth online portal. Customizable upgrades such as namestamps, itags, plastic covers, autograph sheets, etc. can also be purchased online. Please double check spellings on any customizations. The Marauder staff is not responsible if you misspell a name on a namestamp, itag, etc.

SENIOR AD INFO - Early bird pricing for senior ads is available now until Sept. 26th. Early bird pricing is \$310 for a full page, \$160 for a half page, and \$85 for a quarter page. After Sept. 26th, prices will increase to \$325 for a full page, \$180 for a half page and \$100 for a quarter page. The deadline for senior ads is Oct. 31st. After this date, no more ads will be accepted.

*****New for this year only** – Given the current circumstances concerning COVID-19, we are allowing parents/guardians to design their own ads through the Walsworth online store. Please double-check the spelling of your message. We reserve the right to correct spelling or grammar errors if needed. Ads must meet standards appropriate for publishing in the high school yearbook – no copyright violations, displays of profanity, alcohol/tobacco/drug references, weapons, inappropriate hand gestures, etc.

PLEASE NOTE the ad sales price **does not include** a copy of the yearbook.

SHARE YOUR PHOTOS - We want to include **YOUR** photos in the yearbook, especially students participating in virtual learning. Through Walsworth's tool "Yearbook Snap" (formerly known as community upload), you can upload your photos directly to the Marcus Yearbook staff.

Just go to <https://snap.yearbookforever.com/index.html#/upload/327001> and use the code "marauder" - you can upload up to three photos at a time, choose categories and provide caption and photographer credit information.

You can also download the free Yearbook Snap app, either in Google Play or the IOS app store, to submit photos.

We'll be providing more information throughout the year on what kinds of photos we need the most, as well as tips on how to shoot the photos we are most likely to use for the yearbook.
