

Introducing YEARBOOK SNAP (aka Community Upload)

The Marauder Yearbook staff needs your help to tell the story of the 2020-2021 school year.

Please share your photos with us using either:

1. The Yearbook Snap app for your smartphone or tablet.

OR

2. The Community Upload link from a browser

See a preview: <https://www.youtube.com/watch?v=A27pWEZb3oc>

Yearbook Snap on the App Store: <https://apps.apple.com/us/app/yearbook-snap/id915927061>

Yearbook Snap on Google Play: https://play.google.com/store/apps/details?id=com.mds.hifi&hl=en_US

Community Upload for MHS: <https://snap.yearbookforever.com/index.html#/upload/327001>

Both will use the lower-case code – marauder

What we need right now:

- Photos of how students' lives were impacted this summer by COVID-19 (drive-by birthday celebrations, carded yards, changes to summer jobs/camps/plans, changes for family vacations)
- Photos of virtual/virtual plus students learning at-home (we want to include your experiences in the yearbook as well)
- Moments from before/after/during school – behind the scenes for clubs/teams/organizations, or just hanging out with friends/family/pets/hobbies – show us how you relax, destress, have fun

While your posed photos are welcome, we love the **candid** moments that really **document** these stories even more. NOTE: Photos uploaded to Yearbook Snap will not replace your Glamourcraft school portrait.

Some tips on how to get your photos selected for the book:

- Selfies are great, but we want you to **SHOW** us what is happening as well as seeing your faces.
- Don't pinch to zoom with your phone. Move closer with your feet so we have a larger, high-quality image to use.
- Send us the unedited photos, and we'll touch them up. Be careful when using "portrait mode" as well. **#nofilter**
- Got a camera like a DSLR? Those photos are welcome too.
- Don't forget the caption! We need names, grades, and any details that help us tell the story.
- Send in your photos early and often. We'll need images throughout the year.
