

## Parking 2019-2020

Hello Marcus families. This is assistant principal Kyle Smith calling in regard to parking at Marcus High School for the 2019-2020 school year.

This year General & Senior Parking fees are online with a credit card, debit card, or an e-check. General parking is only \$5 for the whole year. All students need to purchase a parking sticker each year if they park on campus.

Senior parking is done through Mrs. Karbs.

**\*\*Only pay for Senior Parking if Mrs. Karbs has emailed you. \*\***

We are limited with the number of Senior Parking spots.

If a senior won the lottery to get a senior parking spot, Mrs. Karbs will email those students to explain the process. (Please check your email for steps as to complete the parking application process.)

To complete the application and pay for the 2019-2020 school year, complete the following steps:

Step 1. Complete the Parking Application here: <https://tinyurl.com/MHSParkingApp19-20>

Step 2. Pay for parking (Will go live on 8/1/19). You may pay with credit card, debit card, or e-check here: <https://lewisville.revtrak.net/hs/marcus-hs/mhs-parking/#/list>
